

at RUSSELL'S HOTEL all the accommodations they may desire. This is the principal Hotel in Quebec, is capable of lodging 150 and dining 200 guests, and is kept in the best manner by Willis Russell, assisted by his brothers. Fresh salmon may at all times during the summer be here found in abundance.

The places of interest to be seen in and near Quebec are too numerous to describe in this place. A steamboat makes occasional trips to the River Saguenay, 140 miles below, and intermediate places. Parties wishing to view the many interesting places below Quebec, with the most magnificent scenery in the world, on the river Saguenay, may generally engage a steamboat in advance, for any time they may choose, at a reasonable price, by addressing Mr. RUSSELL, of RUSSELL'S HOTEL.
