The final ceremony in the creation of the new members of the sacred colthe new members of the sacred colhat will be conferred on the 18 new cardinals, who include Mgr. Falconio, formerly apostolic delegate to Canada and the United States; Mgr. Farley, Archbishop of New York, and Mgr. O'Connell, Archbishop of Boston.

Welcome to Cardinal Farley.

O'Connell, Archbishop of Boston.

The pope expressed the hope that the example of Catholics in England and Holland would influence the return of other countries to the bosom of the church. He spoke sorrowfully of the persecution of the church in France, trusting that divine mercy would hasten the day of repentence and ended by imparting the apostolic benediction.

A Comprehensive Oath, The new cardinals have received the text of the oath which they will take consistory. It is a medified form of the ancient oath, and is as follows:

"I - - - - - of the Holy promise and swear from this hour hence as long as I live to be faithful Holy Roman Apostolic Church and the Most Hely Lord Pius X., and also his canonically elected successors. I swear anything and not to aid in any way against the pontifical majesty or person; never to disclose affairs entrusted to me by the nuncios or in their letters, willingly or knowingly, to their detriment or dishonor; to be ever ready to aid them to retain, defend or re-cover their rights against all. I shall fight with all my zeal and all my force for their honor and dignity. I shall defend the legates and nuncios of the apostolic see in all places under my jurisdiction, provide for their safe journey, treat them honorably on their coming, during their coming and on their return, and resist, even to the shedding of blood, whoever would attempt anything against them.

Guard Against Machinations. "I shall try in every way to assert, uphold, preserve, increase and promote the rights, even temporal, the liberty, the honor, privileges and authority of the Holy Roman Church and our lord the pope and his successors. When it shall come to my knowledge of some machination prejudicial to those rights, which I cannot prevent occurring, I shall immediately make it known to the pope, his successor, or someone qualified to convey such knowledge to

"When summoned for any reason by the Holy Father or his successors, I shall obey, or, when detained by just causes, I shall send someone to pre-sent my excuses, to show due reverence and obedience. I shall never sell give away, mortgage or alienate, without the consent of the Roman Pontiff, the convents, churches, monasteries, or their nenefices committed to me and I shall likewise observe inviolable the Pius X., beginning 'vacante sede apos-tolica,' given at Rome on the 25th day

Imposing Procession.

This afternoon all the new cardinals went to the Vatican and on their arrival they formed into procession, and preceded and accompanied by the Swiss and Noble Guards and personages of the papal court, passed thru the magnificent halls to the state apartment.

The newly-created cardinals were then introduced into the presence of the pontiff. Mgr.
