

"THE CANADIAN CHILDREN'S COT."

TREASURER'S REPORT.

The Treasurers of the "Canadian Children's Cot" are very much pleased to be able to acknowledge the following sums, which various friends have sent in towards its endowment. While expressing heart-felt thanks to those who have taken such an interest in the good work, and especially to the dear little ones who have denied themselves to give to their suffering little brothers and sisters, they desire to express the wish that the scheme should be more generally taken up by the various Sunday schools throughout the Dominion. What a pleasure it would be if our Queen's Jubilee could be marked by the complete endowment of the Cot!
