BASEBALL.

The Cockneys won from Chatham on Saturday because they couldn't help it. The Reds hit as well and fielded better than the home team, and yet the score was 11 to 5 in London's favor. The Cockneys made half a dozen inexcusable blunders, while Chatham's only error was a poor throw from center to third.

What put Chatham hopelessly out of the running and spoiled the zest of the game for the 1,000 or more spectators, was the fatal weakness of the visitors' pitchers. Whithers, who went into the box for the visitors, struck out Howells and McFadden in the first without either of them even offering at a ball. He was hit a couple of times in the second—once by Jones for a home run, the first of the season—and had been touched for safe hits by the first four men up in the third, when he hit the next man with a pitched ball and gave another a pass, which, as the bases were full, enabled London to score. Whithers was taken out and replaced by Wagner, who straightway forced in two more runs in succession. London came to but twelve times and scored six runs in this inning, and the back of

the game was broken. Chatham did not score until the sixth, but they played gamely to the finish. After the fatal third Wagner acquired better control, and showed considerable speed and cleverness. Two of Chat-ham's runs were brought in by Babbitt's errors, two by hits and one on an

Mohler's wonderful running catch of a foul back of the first base line, and Jones' home run were features of the game. Not the least pleasing and important feature, however, was the fact that Carey, amid great applause, broke his hoodoo and made two nice, clean hits, well out to center field. Jones was bothered by the sun and misjudged a couple of easy flies. There was a peculiar case of confusion caused by a foul tip between the catcher's lines. Umpire Dailey called "Foul-strike," and Jones, who had started for second, walked leisurely back towards first.

The catcher, who had dropped the ball, threw it to the pitcher, who threw it to first, and Jones, to his great surprise, was declared out. The score:

AT STRATFORD.

The weather at Stratford Saturday was most unfavorable for baseball, as it blew a small-sized hurricane all day, the air was a trifle cool, while King Frost seemed to have the Stratford team in his icy grasp, chilling to the marrow the four hundred odd baseball cranks and rooters who occupied the bleachers' portion of the grand stand. The Stratford team started out fairly well, making three hits and four runs in the first inning, but eight frightful errors cost them the game. The feeling is that unless the team is ma- Paul 5. terially strengthened it will have a tendency to cool the ardor of their friends. Powers is a good twirler, only one hit being made off him, while he had five strike-outs. He also made two singles and a double, and this being his first game this season he will

had been retired in the ninth, the score was 2 to 0 in the visitors' favor. Up to that time the latter had not made an error, and Hamilton had only secured three hits off Kern. In the ninth Rodden fumbled a hard grounder, hit by Hagerty, and this seemed to upset the whole team. Dean sacrificed, and Schrall and Elton hit safely. Then Rodden and Tibald made errors, and Phillips drove in the winning run with a

He slept in the barn belonging to the house Friday night, Montreal. and next morning, when the members wife and daughter being the only ones remaining, he entered the house. Wood gave his watch to his daughter and ordered her out. He then shot his wife, one bullet taking effect in the abdomen and one in the back. He then placed the revolver to his mouth and fired, killing himself instantly. Wood leaves a grown-up, very respectable family.

of the Eowels.
One to three of Radway's Pill, one in twenty-four hours, will secure regular excuations from the bowels. Persons who, for 20 years, have not enjoyed a natural stool, and have been compelled to use injections, have been cured by a few doses of Radway's Pills.

Persons advanced in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinal difficulty. We have the evidence of a large number of aged persons, from 70 to 80 years of age, who have been cured of this defect (who were compelled to resort to injections to empty their bowels) by the use of Radway's Pills. Two or three pills every night, in all cases insure a natural evacuation from the bowels and a regular flow of urine. In cases where there is Irration of the Bladder, the Resolvent should be used alternately with the pills. If these organs are kept regular, life may be extended to a much longer period. By keeping the Liver, Stomach, Bowels and Kidneys in a healthy condition, the blood will continue pure and dissolution checked. This great desideratum is within the reach of all by the use of Radway's Pills and Resolvent. Drastic Aloetic Pills, in persons of advanced age, hasten dissolution; irritates and wears out the bowels and coats of the stomach, destroys the asorbents, so that these vessels are incapable of assisting in the repair of the body's waste. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition.
