STILL IN POWER UNION.

Brantford Wants Her Position in This Made Plain.

BRANTFORD, April 28.—(Special.)—At the conclusion of the council meeting last night a special session of the power committee was held at which the chairman, Ald. Andrews, tendered his resignation, but at a later stage made a withdrawal.

The reason of Ald. Andrews' action was over the fact that Brantford was not represented at the recent power conference in Toronto when the power contracts were discussed. It was stated that the mayor had been notified of the meeting but had not done anything in the matter. The committee was unanimous on the urgency of the question and resolved to get right to work. The city street lighting contract expires in September and for this reason alone the matter will receive attention. The committee also wanted it made plain that Brantford was still in the power union.

Safety of a Double Track.

Coming down on the Eastern Flyer from Detroit last night, right on time, an experienced traveler in the smoking room of the cafe-parlor car, remarked, "I always feel safe when I can look out and see the other rails, and wonder the Grand Trunk don't make more of it." It may surprise and Canadians should be proud to know that the Grand Trunk Railway System have more miles of double track than any other one line in America. Moral—Do not be persuaded to go on a single track route, when you have choice of a double track. This applies to Montreal, Niagara Falls, Buffalo, London, Detroit, Chicago.

Best and only double track line to all above points.

Secure tickets at city office, northwest corner King and Yonge-streets.

Friends' Association Adult School.

On Sunday last the attendance was large. J. J. Kelso, government superintendent of neglected children, gave a helpful talk on the attitude to be maintained towards all life. A splendid opportunity is afforded for just such helpful service in this adult school. The spirit and brotherhood of the school is delightful. Adult school men of the old country should in large numbers come at once within the happy influence of this pioneer school in Toronto.

Washouts on T. & N. O.

Three washouts were reported on the Temiskaming and Northern Ontario Railway yesterday. They were caused by the spring thaws and altho they made some trouble, did not tie up the service.

In two places about 150 feet of the embankment fell down on the track.

Pale, Weak Women

Gain New Health and Strength Through Dr. Williams Pink Pills

Anaemia is just the doctor's name for bloodlessness. Dr. William's Pink Pills for Pale People actually make new blood. Can any cure be more direct or certain? Blood is bound to cure bloodlessness. Dr. Williams' Pink Pills cure anaemia just as food cures hunger. They cured Mrs. Clare Cook, a young English woman who recently came to this country from Portsmouth, England, and is at present residing at Prince's Lodge, Halifax Co., N.S. She says: "I am an enthusiastic believer in the value of Dr. Williams' Pink Pills as a cure for anaemia. I had suffered from the trouble almost from childhood, but a few years ago it developed into a severe type of the trouble. My skin was pale and waxy; my lips seemed bloodless, and my entire system was run down. I suffered from headaches, dizziness and weak spells and my friends feared that I was going into a decline. I tried tonics and emulsions, but without benefit. Then a friend who had used Dr. Williams' Pink Pills for the same trouble advised me to try them. In a short time they began to help me and in a couple of months I was quite well, the color having returned to my face, my appetite improved and I had gained in weight. I can strongly recommend Dr. Williams' Pink Pills to all anaemic girls and women."

The pale anaemic person needs only one thing—new blood. Dr. Williams' Pink Pills do only one thing—they make new blood. They won't cure any disease that isn't originally caused by bad blood. But when Dr. Williams' Pink Pills replace bad blood with good blood they strike straight at the root and cause of all common diseases like anaemia, headaches and backaches, rheumatism, indigestion, neuralgia, St. Vitus dance, kidney trouble and the secret troubles that every woman knows, but none of them like to talk about even to their doctors. Dr. Williams' Pink Pills are sold by all medicine dealers or by mail at 50 cents a box or six boxes for $2.50, from the Dr. Williams Medicine Co., Brockville, Ont.

A DRUNKEN RUSSIAN SHOOTS INTO STREET CAR

City to Guarantee Bouds of Street Railway to Extent of Half a Million Dollars.

HAMILTON, April 28.—(Special.)—Mike Arome, a Russian, according to the police, pulled out a revolver at Irondale this afternoon and fired several shots into a street car because the conductor, James Young, refused to allow him on the car, as he was drunk.

The trouble started when Jos. Durmier, a conductor on a street car leaving Irondale before Young's car, refused to let Arome on his car. Arome assaulted him, and when Young's car came along he drew a revolver and began to shoot.

The conductor and the passengers were kept busy dodging bullets, none of which did any serious harm. Arome was arrested later and is held on the charges of assault and shooting with intent.

The members of the street railway conference committee met this afternoon and decided to offer to guarantee the bonds of the sareet railway to the extent of hal fa million if the company will spend that amount in three years to install a new system and make extensions. The company wanted the committee to cut the city's percentage on all increases in receipts shown over last year from 8 to 6 per cent., and to guarantee the bonds in addition. The aldermen declined to consent to the cut in percentage, but agreed to offer to guarantee the bonds.

Tiger's Gate Receipts.

The Tigers' gate receipts for last season, according to a statement presented by Wm. Agnew, the treasurer, at the semi-annual meeting of the Hamilton Football Club this evening, amounted to $7933. The expenses amounted to $6134, leaving a surplus of $1790. Of the surplus $1600 was added to the permanent grounds fund, which no wamounts to 3000. Adam Zimmerman, M.P., was elected honorary president in place of the late Hugh Murray, and Wm. Southam was appointed in Mr. Murray's place on the grounds committee. The biggest gate of the season was $1790, taken in on Thanksgiving Day, when the Tigers played Ottawa.

Reduction of Wages.

The wages at all the cotton mills of the city have been reduced ten per cent., the cut to take effect Monday.

Attempt at Suicide.

Charles Kelly, collector of the Hamilton Brewing Association, attempted to commit suicide this morning in the barber shop attached to the Commercial Hotel. The barber had just finished giving him a hair cut, shampoo and shave, and while his back was turned, Kelly seized a razor and gave himself a couple of gashes on the throat. "I was just trying to curl my moustache," he explained to the barber. The cuts are not serious.

The street railway company has been notified that it will have to stand the whole cost of the repairs to the pavements adjoining its tracks.

Dellimore McAllister, 80 Birch-avenue, 14 years of age, was sent down for two years this morning for stealing a cheque for $129 from the Ontario Lantern Company. He was an office boy.

W. H. Seymour, president of the Hamilton Football Club, was operated on this morning for appendicitis.

Joseph Fitzgerald, 69 Robert-street, was sent down for six months this morning for assaulting his sister.

Richard Byron, collector for Walter Woods & Co., was married last evening in St. Joseph's Church to Miss Minnie Salisbury.

Wanted—Barber's improver. H. C. Woods, 459 East King-street, Hamilton.

CONVICTION QUASHED.

Judge Morson Upholds Appeal of Harry Webb Company.

Judge Morson yesterday gave a decision quashing Magistrate Kingsford's conviction against the Harry Webb Co. for selling lightweight bread. The appeal was really a test case for a number of the bakers who were similarly fined.

In part Judge Morson says: "The information was originally, in my opinion, in the proper form, and in accordance with the by-law, and no valid objection could have been taken to a conviction under it if the evidence warranted it. But there can be no offence under the by-law in selling labelled bread with the incorrect weight on the labels, but only an offence under the criminal code when fraudulent intent would have to be shown. There was no evidence of any kind that the bread was one ounce light when sold by the Harry Webb Company, only that it was so when weighed many hours afterwards. The evidence on appeal is not better or stronger than before the magistrate, and it was not proved, or attempted to be proved, except by inference, that the bread was light when sold.. I think, on the merits, there was not sufficient evidence before the magistrate to warrant a conviction."

According to Dr. Sheard, Judge Morson's judgment is absolutely of no use, as far as the future is concerned, by reason of the new bread laws enacted by the legislature.

LICENSE TRANSFERS.

Commissioners at Guelph Approve of Two.

GUELPH, April 28.—(Special.)—The license commissioners this afternoon met and considered two applications for license transfers. They agreed to the transfer of the license held by B. Stewart of the Commercial Hotel to George Reinhart, at present proprietor of the Queen's Hotel, Stratford, and the transfer of the license of the City Hotel, at present owned by John Kelly, to Jos. Singular of Belleville. An application for the transfer of the license of the Mountain House was not considered at this afternoon's meeting.
