GOOD COMBINATION BEAT THE MONARCHS

Speedy Winniepeggers Defeated by One Goal in Return Fixture at the Arena.

In the speediest and cleanest game played in the Arena this season, the Winniepeggers defeated the Monarchs of the Riversides by 8 to 7. Only a comparatively few followers of the winter sport turned out and these were treated to a brand of hockey that was somewhat out of the ordinary. It was hard going all the way with the most thrilling plays occurring during the dying moments of the contest, when Monarchs tried for all they were worth to even the score.

Parkes, the clever Argonaut boy, played in place of Zupke, who was on the sick list. He put up the best game of his career. With this exception, the Riversides had their complete team. Dick Irvin, who did not figure in the first game, took up his position at rover despite a sore shoulder. He stood the pace for two periods and was then relieved by Chum Irvin.

Riversides at all times checked hard, and served up very aggressive hockey. It was this feature that won the game. Monarchs were much faster individually at all times, the rushes of practically every player bringing the spectators to their feet. Lacking combination play and depending mostly on individual rushes alone with poor shooting lost them the game.

Altho Riversides faded in with a vengeance in the first few minutes, Monarchs came along and outplayed them for the rest of the period. Their speed and stick-handling were superb and had it not been for inaccurate shooting they would have piled up a large score. In the second period Riversides found their feet in a row, and then Chum Irvin showed in one just before the goal sounded. In the last lap Monarchs came on strongly on the offensive, but Merrick and Smith did some great blocking.

Monarchs played clean hockey at all times out in centre ice and not bogging against the boards. The Winniepeggers were great favorites with the crowd, their speed, stick-handling and cleanliness being largely responsible.

A Montreal despatch says: Manager Savage of the Portland St. Canadiens says that he does not want the present series to end over next Wednesday. If the result of next Tuesday's match should make a tie, I want it played off the next night and today, "and I will insist upon it."

McNamara, the only one of the supposed malcontents on the Canadian team who could be seen today, when asked if he had any objections to what had been published yesterday, replied: "None whatever. That was the way I felt about the thing yesterday. Asked if matters between him and the managing director were settled, he said: "As far as I am concerned, I am satisfied." Some of the Canadian players had a conference yesterday afternoon.

Bob McInnes, once a celebrated hockey player and a now well-known amateur referee, liked the ten-year-old American line for obstreperous players very much last night and yesterday. He was much with much advantage to the six men same.

NOMINATED FOR OFFICE IN TORONTO AMATEUR B.B.A.

Indications Point to Lively Season Among the Local Leagues and Clubs.

Indications point to a lively season among clubs of the Toronto Amateur Baseball Association. Judging from the gossip around amateur ball camps it looks as if the game will boom despite the hundreds of ball tossers that have joined the clubs. Altho there will not be so many leagues in operation as last summer the game will be carried on. There are over 1500 ball players in the city. No other branch of sports has responded to the call as the ball players. All the champion teams have been wrecked. Secretary Walsh has received a number of notices of motion of amendment to the bylaws. Chum Irvin showed in one just before the goal sounded. In the last lap Monarchs came on strongly on the offensive, but Merrick and Smith did some great blocking.

Monarchs played clean hockey at all times out in centre ice and not bogging against the boards. The Winniepeggers were great favorites with the crowd, their speed, stick-handling and cleanliness being largely responsible.

As the gymnasium season draws near its close the weekly athletics held each week at Moss Park for the all-round championship take on more life and enthusiasm. The boys who are near the top of the score are working with might and main to stay there, while the opponents who follow are working with equal determination to overcome this lead.

Yesterday afternoon and evening saw a large field of competitors out and some splendid performances were registered. The events were as follows:

ADDRESS IN GODERICH ON RUSSIA AND RUSSIANS

GODERICH, Ont., March 23.—Goderich citizens crowded the auditorium of the local hotel last night to hear J. D. Allan of A. A. Allan & Co. deliver an address on "Russia and the Russians." The address was interesting and impressive, especially so in that the speaker spoke from personal knowledge, having for some twenty years and made annual trips to the allied nation in connection with the fur trade.

Learned From a Sample Nineteen Years Ago

That He Could Depend on Dr. Chase's Kidney-Liver Pills to Cure Many of the Common Ills of Life.

Living eighteen miles from a drug store Mr. Carr found it necessary to keep in the house some treatment to regulate the action of liver, kidneys and bowels.

To the habit of keeping these important organs active by the use of Dr. Chase's Kidney-Liver Pills, when required, he attributes the good health of his large family.

Here, surely, is evidence of the value of these pills as a family medicine to protect the members of the family who use it from the common ill so many of which arise from constipation of the bowels and torpid condition of the liver and kidneys.

Mr. James Carr, Maynooth, Ont., writes: "About 19 years ago I received an envelope containing two of Dr. Chase's Kidney-Liver Pills. I was doctoring at the time with two doctors, and as they did me no good I used the Pills, and by the time I had finished one box I was cured of the pain in the back and shoulders.

"We have great confidence in Dr. Chase's Medicines. I have a family of ten children and have never had a doctor in the house for any of them. We live eighteen miles from a drug store and find that these Pills cure nearly all the ordinary ills by regulating the liver, kidneys and bowels. That we are all well and sound I attribute to their use and I have recommended them to hundreds and given away many a box because I believe there is no medicine so good."

By awakening the action of liver, kidneys and bowels Dr. Chase's Kidney-Liver Pills cleanse the system of poisons and remove the cause of biliousness, headache, backache, indigestion, kidney disease and rheumatism. One pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

MAYOR AND MOVIE SHOWS

Theatre Owners Had "Better Watch Out"—Sir John Hendrie Was Present.

Some of the people who run "common ordinary vaudeville shows" under the name of recruiting rallies in "movie houses" on Sunday "had better watch out for their licenses," for the police commissioners intend to take the matter up, announced Mayor Church at a complimentary banquet given to Lieut.-Col. S. G. Beckett, O.C., and the officers of the 75th Battalion, C.E.F., by the city in the Carleton Hotel last night. Cash grants should be given by the city to the 74th and the 75th Battalions, for they had done their recruiting without receiving a cent of civic assistance, said the mayor.

PRICE OF BREAD UP NO REASON IS GIVEN

Grocers Unable to Account for Advance, But Bakers Say Wages Higher.

BRANTFORD, March 23.—The price of bread took a jump today and housekeepers will have to part with 12c for a large loaf in place of 10c. Grocers are unable to account for the increase, as flour has gone down, following recent advances. It is the price of wheat that has gone up, and the price of sugar has advanced again.

BRANTFORD MAN THERE.

BRANTFORD, Ont., March 23.—Among the wounded Brantford men at the Granville Hospital, Ramsgate, which was bombed by the Germans in September, was Emmett of the 4th Battalion, who was severely wounded at Neuve Chapelle last May. He received no less than seven wounds in the head and back and was for some months in a serious condition. He is now very slowly recovering. His home is at 107 Spring street.
