# "SELINA" ON THE STAGE IN CARTOON SPECIALTY

World readers will remember with  
much pleasure "Selina," whose bright  
sayings and distinctly humorous  
drawings were for some time a fea-  
ture of this paper, and they will hear  
with interest that Selina is now "on  
the stage." Miss Lillian Scott, the  
author of "Selina," is appearing at  
Loew's Uptown Theatre on Thursday,  
Friday and Saturday of this week in  
a cartoon specialty number that is  
as clever as ever "Selina herself" was.  
Miss Scott is a Toronto girl, who, up  
to now, has mostly confined her ef-  
forts to newspaper and magazine  
work. Her clever drawings and  
stories are well known in several  
American as well as Canadian pub-  
lications; and she is assured a splen-  
did success in her new line of effort.

# LAUDS TORONTO'S SYSTEM OF RELIEF

Dominion Employment Offi-  
cial Pays Visit to Local  
Bureau.

**MORE RENT ARREARS**  
Civic Officials Have Confer-  
ence on Question of Fed-  
eral Co-operation.

L. A. Howard, superintendent of  
the Dominion employment service of  
eastern Canada, yesterday, while on  
a visit to the relief bureau at Church  
street, expressed the opinion that  
Toronto was grappling with the prob-  
lem in the right spirit. He believed  
that the Dominion government would  
in every way approve of the system  
adopted by Toronto and aid pay  
its proper share of expenses involved.  
Sergeant-Major Orington, in an  
interview with "The World," stated  
that something would have to be  
done to relieve the situation respect-  
ing arrears in rents. The board of  
trade had decided some weeks ago  
that something should be done in the  
matter, but no results had been ob-  
tained so far. He had only yesterday  
received requests to pay arrears  
amounting to \$76,000. "It would,"  
he said, "take more than \$250,000  
to cover payments on these arrears,  
which undoubtedly form the most  
pitiable of all the cases needing  
relief, and I am sure the city coun-  
cil can't grant that much on arrears  
alone, what with meals and other  
public-spirited citizens get busy now?"

**Landlord Evicts Family.**  
Brigadier Fraser recounted one  
case during the course of the day, in  
which he had sent up a wagon to  
take away furniture for a family  
evicted by a landlord. This landlord  
had thrown the furniture into the  
back yard.

Sixteen hundred mail tickets were  
issued yesterday, and among the mar-  
ried couples, 105 new couples were  
reported. Altogether there were 169  
registrations of married men and  
families during the day.

**Federal Co-operation.**  
Civic officials had a conference  
yesterday with a representative of  
the federal government on the ques-  
tion of co-operation in the relief  
of unemployment in Toronto.  
The government has laid down a plan  
under which it will share up to one  
third of the cost of relief of unem-  
ployment, but the city had expended  
about \$100,000 before the govern-  
ment's plan had been formulated and  
announced, and the city is unable now  
to fulfill the conditions of the plan.  
The government's plan involves the  
filing of replies to many questions  
by applicants for aid. Nevertheless,  
the city feels that it is en-  
titled to a rebate of a third of its  
outlay from the federal government  
and another third from the provincial  
government and the purpose of yes-  
terday's meeting was to make repre-  
sentations to that effect.

The outlook, said a city official, is  
for the favorable consideration of the  
city's appeal. The conference, which  
was held in Dr. Hastings's office, was  
attended by Dr. Hastings, property com-  
missioner, Major L. E. Howard, su-  
perintendent of the Eastern Canada  
Dominion government employment  
service; Mr. Mills, of the city relief  
division; J. A. Miller, of the Ontario  
government employment bureau, and  
J. Hudson, provincial superintendent  
of the federal bureau. The min-  
utes were represented by Major Howard.

# BOYS' WORK BOARD REPORTS PROGRESS

Seventh Annual Meeting Shows  
Extension of Program Thru-  
out Dominion.

The seventh annual meeting of the  
national boys' work board was held  
in the Upper Canada Bible Society  
building, with members present from  
all sections of the country.  
Reports received from all the prov-  
inces indicated considerable pro-  
gress during 1920 in the extension of  
the program of Christian citizenship  
among 'teen age boys, known as the  
Canadian standard efficiency training.  
There are at present over 1,500  
groups with a membership in excess  
of 20,000 of Trail Rangers (12-14  
years) and Tuxis Boys (15 years and  
upwards), as the boys engaged in  
the program of training are known.  
Operating in nearly four hundred  
communities. This was an increase  
of nearly 40 per cent. over 1919.  
The second national training camp  
for leaders will be held in Algonquin  
Park during August next. It was  
suggested that the attendance at this  
camp be limited to three hundred.

The following officers were elected:  
Chairman, E. B. Reynolds, Winni-  
peg; vice-chairman, W. H. Morrow,  
Vancouver; Dr. G. O. Stanley, M.L.A.,  
Calgary; C. F. Blair, K.C., Regina;  
W. W. Kirkland, M.A., Toronto, and  
A. H. Chipman, St. John, N.B.

# CANADIAN SINGER WINS GREAT PRAISE

Miss Greta Masson Delights  
Members of the Women's  
Musical Club.

Miss Greta Masson, who sang at a  
large gathering of the Women's Musi-  
cal Club yesterday at the new Mason-  
ic Hall, is an artist of whom Cana-  
dians everywhere may be justly  
proud. A young Canadian who has  
already made a name worth while  
in her own country and in the United  
States, she yesterday made what  
amounted to a furor—if the enthu-  
siastic gathering may be termed such—  
among her artistic and apprecia-  
tive admirers. Praise and applause  
punctuated the close of every number,  
and at the close Miss Masson was  
showered with congratulations.

Miss Masson sang a program of  
four groups, which included nineteen  
numbers, representative of Russian,  
French, Japanese and English com-  
positions, in all of which she was  
equally at home, her clear, vibrant,  
flexible soprano lending itself to  
every mood. The program opened  
with "The Maid and the Sun," Rim-  
sky-Korsakov, other numbers in the  
group being "The Soldier's Bride," and  
"My Native Land," and "The Snow-  
drop," by Gretchaninov.

Three arias of the early eighteenth  
century and the dainty "Les Papillons"  
among her offerings, the concluding  
group being the "Persian Song"  
(Rubaiyat), Burmeister; "Indian Love  
Song," Lientore, and "At The Well"  
(Tabor), Hageman. Miss Masson,  
who has a number of near engage-  
ments, has sung as soloist with the  
Boston Symphony Orchestra, and in  
New York and Chicago. As a child  
Miss Masson began to sing, and was  
fortunate in having as accompanist  
Mrs. H. M. Blight, one of Canada's  
most artistic accompanists.

# DEAD GIRL HAD DRINKING HABIT

Inquest Opened on Death of  
Mabel Wilson—Had  
Left Home.

The inquest held last night on Mabel  
Wilson, aged 22, who was found dead  
in a room at 307 West King street,  
on Jan. 1, was adjourned until Jan.  
18 for further evidence.  
The girl had been known to drink  
and had told Dr. Poole, who attended  
her, that she had been on a spree.  
Toward Donaghue, a Jeweller, in  
whose room she was found, was told  
the reason he told the police he had  
brought liquor into the room for use  
during Christmas week was to  
shield the girl, whom he suspected  
of having obtained it somewhere.  
She had told him that her stepfather  
had abused her. Later, when she  
told Donaghue she had been put out  
of her room, he suggested that she  
remain in his room all night. He  
had been in the habit of remaining  
out every Friday night to play cards,  
and after leaving her about 7.30 p.m.,  
he did not return until New Year's  
Day at 1 p.m., when he learned of her  
death.

Benson, who owned the stationery  
store thru which Donaghue had to  
pass in order to enter his room, was  
sworn that Donaghue went out Sat-  
urday morning about 2 a.m., when he  
was putting out the milk bottles.  
John Nolan had a hunch to visit  
Donaghue's room, as he had known  
him when Donaghue had rooms at  
262 West Queen street, and he found  
the girl lying on the kitchen floor  
with her face toward the stove turned on.  
At 263 1/2 West Queen street, to where  
Donaghue had moved, mail had come  
for Mrs. Donaghue and the girl had  
been seen there washing dishes, etc.  
On the stand, Donaghue swore that  
she never lived with him as his wife  
and she never had been in trouble  
as long as he had known her, some  
four years. Mrs. Wilson, the girl's  
mother, could not give any reason  
for the girl's departure from home.  
Mr. Harvey Snyder appeared for  
the crown.
