

A GREAT MEDICAL TRIUMPH.

DISEASES OF THE KIDNEYS AND BLADDER.

For the cure of diseases of the Kidneys and Bladder, Northrop & Lyman's Vegetable Discovery is a remarkable remedy. It purifies and enriches the blood; regulates the bowels; acts directly upon the secretions, and the affected organs themselves; cleansing, strengthening, and removing all obstructions and impurities. In these diseases a few bottles of the Discovery are worth their weight in gold.

Mr. Joab Scales, of Toronto, writes:—"A short time ago I was suffering from Kidney Complaint and Dyspepsia, Sour Stomach and Lame Back; in fact I was completely prostrated and suffering intense pain. While in this state a friend recommended me to try a bottle of Northrop & Lyman's Vegetable Discovery. I used one bottle, and the permanent manner in which it has cured and made a new man of me is such that I cannot withhold from the proprietors this expression of my gratitude."

DISEASE OF THE LIVER is far more common than is generally supposed; and, indeed, it is possible for serious disease of that organ to exist without any well-defined symptoms whatever. Comparatively few are constantly free from all irregularities of the Liver, and more particularly Biliousness.

The remarkable properties of Northrop & Lyman's Vegetable Discovery in restoring the Liver from the various affections to which it is subject, such as Biliousness, Jaundice, Congestion, Inflammation, etc., are surprising to all who witness their effects.

Mrs. H. Hall, Navarino, N.Y., writes:—"For years I have been troubled with Liver Complaint. The doctors said my Liver was hardened and enlarged. I was troubled with dizziness, pain in my right shoulder, constipation, and gradually losing flesh all the time. All food soured on my stomach, even with the closest attention to diet. I was under the care of three physicians, but did not get any relief. A friend sent me a bottle of Northrop & Lyman's Vegetable Discovery, and it affords me much pleasure to inform you that the benefit I have received from it is far beyond my expectations. I feel better now than I have done for years."

FOR THIRTY YEARS.—Mrs. L. Squire, Ontario Steam Dye Works, Toronto, says:—"For about thirty years I have doctored for Liver Complaint and Dyspepsia without getting any cure. I then tried Northrop & Lyman's Vegetable Discovery, and the benefits I have received

from this medicine are such that I cannot withhold this expression of my gratitude. It acts immediately on the Liver, and its good effects are noticed at once. As a dyspepsia remedy I don't think it can be equalled."

FEMALE WEAKNESS.—If the atmosphere we breathe is deficient in oxygen, the Blood is only partially purified; and if this deficiency of oxygen is made up with carbonic acid poison, which is just the condition of the atmosphere in close warm rooms, the Blood, not only being but partially purified in the lungs, but also receiving poison from the atmosphere, is returned loaded with a variety of poisonous constituents to every part of the entire body, and the consequence is, the universal health receives a broadside volley. The whole system becomes languid and weak, every fibre loose and lax. The most susceptible pores, channels and ducts choked up, Leucorrhœa, or whites, frequently supervene, Digestion and Assimilation are impaired, and Female Weakness is established. The Blood becomes impoverished, various functions may become deranged, and the foundation is laid for a train of symptoms or diseases, the pangs of which tongue cannot express, and which often terminate in Consumption.

YOU CAN NOW readily understand how the atmosphere in close warm rooms induces Female Weakness. The inmates are constantly exhaling the natural poison from the lungs, and inhaling or consuming the oxygen, until the atmosphere, deficient in oxygen, is loaded with poisonous properties, and consequently the Blood with Impurities, a large proportion of which, in a female, have a peculiar tendency to establish the disease in question. Add to these destroying influences, the debilitating effect of constant heat, and need you wonder at the frequency of the disease in the present age?

TREATMENT.—We are pleased to inform you that for this malady, which has been the source of untold misery, and so seldom cured, we are able to offer you, in Northrop & Lyman's Vegetable Discovery, a remedy that Purifies the Blood and cures the disease. Take sufficient of it to regulate the bowels, producing two healthy operations in the day. There is no disease, or complaint, in which the Vegetable Discovery gives quicker relief, or is more effective in its cure than in what is termed Female Weakness.

SEVEN YEARS OF SUFFERING.—A lady in Syracuse writes:—"For about seven years before taking Northrop & Lyman's Vegetable Discovery, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance, or stand on my feet for more than a few minutes at a time, without feeling exhausted; but now, I am thankful to say, I can walk two miles without feeling the least inconvenience. For Female Complaints it has no equal."
