PAINFUL AND SCALY PIMPLES Like Boils. Worst on Face. Watery When Rubbed. Also Hands Cracked and Smarted. Cuticura Soap and Ointment Cured.

Main St., Eye-Brow, Sask.—"I was bothered with small pimples similar to little boils for four or five years. They were all over my face but worst on my forehead. Of course they gave me a bad appearance. The pimples were both painful and itchy so I scratched till quite large sores would be the result and they seemed to be very watery after I rubbed them to a cure. My face was very sore during the time it was sore."

"Upon seeing Cuticura Soap and Ointment advertised I thought there would be no harm in trying them so I started with a small sample. I purchased a full-sized cake of Cuticura Soap also a box of Cuticura Ointment and before I had quite finished this I saw I was lots better so the second cake of Cuticura Soap and box of Cuticura Ointment was purchased. But little was used when I was entirely cured." (Signed) Mrs. Wm. Dickson, May 23, 1913.

For treating poor complexion, red, rough hands, and dry, thin and falling hair, Cuticura Soap and Cuticura Ointment have been the world's favorites for more than a generation. A single week is often sufficient. Sold everywhere. For all ailments free sample each, with 25-cp. book, send post-card to Potter Drug & Chem. Corp., Dept. 12, Boston, U.S.A.

Miss Jean B. Peacock of Sussex gave an interesting lecture before the Natural History Society last evening. The subject of her address was Social and Ethical Efficiency and was greatly appreciated by a large and attentive audience.

At the close of the lecture, Mrs. G. F. Matthew on behalf of those present tendered Miss Peacock a hearty vote of thanks.

Message from Brother Swin A. I thought perhaps my friends who read the Maritime Baptist would like to hear from me. I was nine weeks in the General Public Hospital, St. John. Dr. J. R. McIntosh performed a very serious operation on me for ear trouble, and he told me it was successful. I believe all was done that could be done for me. I am gaining daily and can walk out a little when the weather is fine. I hope, after a while to get my strength back. I have faith in God. He knows what is best for me. He doeth all things well. I would like to express my heartfelt thanks for financial assistance from several Baptist churches and from individuals. The Lord bless them for their thoughtful kindness. I would humbly ask an interest in the prayers of God's people that I may be patient and submissive to God's will. Gideon Swin, Petitcodiac, N. B., Jan. 31, 1914.

The Best Quality at a Reasonable Price Do You Treat Your Eyes Well? Are you mechanical? Do you know anything about machinery? If you had an expensive machine which was out of order, would you continue running it? Or would you have it repaired at once? You know that the chances are that you would do permanent injury to the machine, and you would not take the risk.

Your eyes are surely as delicate in their mechanism as any piece of machinery you have ever seen or heard of. And if you neglect your eyes, the resulting injury is more difficult to repair or to correct.

Are you taking as good care of your own eyes as you do of the delicate piece of machinery in your home or your factory? Are they not worth the same kind of good treatment? All our facilities for helping you to take care of your eyes are at your service. Better consult us.

Your Manly Strength "Nature" Book Free My Free Offer to My Men and Young Men Readers. My free offer is as follows: There are in existence today numerous creditable books relating to the much discussed sex, and they range in price from \$3 to \$5, while my offer is given below is a free one.

I publish a little private compendium of 72 pages, pocket size, containing 8,000 words and 80 half-tone photo reproductions, which thoroughly covers the subject of sex, but only in its relation to manhood or vital manly strength. Its legitimate use is its wanton abuse, its loss and the causes thereof, its possible self-restoration and its permanent preservation. These are the vital phases of the sex subject which I find to be of most interest to all men, young or elderly, single or married, and I have therefore put into this little self help book the very best that I can offer relating to that particular personal and private advice and information, which my 30 years' practical experience in this field has taught me men most seek, and through which they can get the most real benefit in respect to their own vigor and vital health. This, reader, is the book, and my offer to send it by mail, absolutely free of charge, in a perfectly plain, sealed envelope, to any man or young man anywhere who writes for it (see coupon below), and there is not a particle of obligation of any kind whatsoever involved in making this gift offer to you. Over a million of these books have been thus sent to men all over the world who wrote for them.

The reason why I can offer this illustrated sex book free is that in one part I include a description of a little mechanical vibrator of my own invention, which is for use by those of my readers who need some outside aid in the restoration of their manly vigor. However, that is a matter for each person to decide for himself. The book is complete and entirely independent of anything it says with respect to the vibrator. Therefore please use free coupon and get the book by return mail. You will find it a valuable adviser in many respects.

SANDEN, Author. Vital manhood and an abundant manly vigor is the greatest human asset of our day. Every man is entitled to be perfectly strong, vigorous and capable, just as nature intended he should, and if through the medium of my book I can show you how you yourself may become as vital, manly and forceful as the best man of your acquaintance, then I have merely given you a clear understanding of what nature has herself occasionally endeavoring to tell and show you.

As to my vibrator, it may or may not be necessary in your own case, but if you want to use it after reading the description, I will gladly make some liberal proposition so you may get one to try. This vibrator, weighing only several ounces, is worn all night. It generates a soft, easy flowing "FORCE" which I call vitality. This "FORCE" enters your system at the small of the back, flowing thence through the kidneys, liver, stomach, bladder and organs, and diffusing itself to every part of the body. Over 800,000 Sanden vitalizers are now in use or have recently been used. It keeps up its gentle action while you sleep. Men everywhere have said it makes them feel better and stronger almost at once, that it often takes pain out of the back in a few hours, and to 60 days' time is sufficient to restore normal vigor. With special attachments my vibrator is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc.

If you live in or near this city, would be pleased to have you call. Hours, 9 to 6. However, whether or not you ever use the vibrator, at least you want the free book, so kindly fill in the coupon and the book will go to you, sealed, by return mail.
