EARTHQUAKE IN CARLETON COUNTY TODAY

Hartland, N. B., Aug. 19.—(Special)—At two thirty o'clock this morning residents of this section were awakened by an earthquake. So severe was the shock that wall plaster in some buildings was shaken down.

LOCAL NEWS

GOOD NEWS FOR CURLERS. Recent Glasgow, Scotland, papers in their account of the annual meeting of the Royal Caledonian Curling Club, state that New Brunswick has been admitted as a branch.

POLICE COURT. In the police court this morning two prisoners charged with drunkenness were remanded. Percy Wanstell, charged with wandering about, was not given a satisfactory account of himself, was remanded. An assault case of Isaac Goldberg vs. Robert Garret was adjourned for hearing until tomorrow morning.

REV. MR. BERRIE'S HEALTH. Gleason—Rev. J. C. Berrie, formerly pastor of the Maryville Methodist Church, and who recently retired after forty years' active service in the ministry, is now at Jacksonville, Carleton Co., endeavoring to recuperate on a farm there. He writes that his health is improving very slowly and he is unable to take up any work.

HELD CANDY PULL. A pleasant time was enjoyed on Saturday evening at Acamac when the girls of the We-Are-Even Club held an old-fashioned candy-pull at their cottage, "Comrite Inn," at which about forty were present. After the candy-pull had been enjoyed, the remaining hours before midnight were spent most delightfully in games, dancing and music.

DEED IN SUSSEX. At Stouffville on Sunday the death of Stephen H. Sherwood occurred after a severe illness of two months. He was a native of Kings county and of Loyall descent, but spent quite a number of years in Michigan and California. By his first marriage, with Miss Elizabeth Sherwood of Norton, he leaves two daughters, Mrs. Edgar Owen Beatt, of Panama, and Miss A. E. Sherwood of this city, and a son, Charles, by his second wife, who was Miss Carter of Sackville.

AFTER FIFTEEN YEARS. Mr. and Mrs. O'Brien, who have been visiting here for the last two or three months, left last night for their home in Vancouver. This was the first visit of Mr. O'Brien to his home town for fifteen years, and he was greatly pleased at the marked development and expansion which had taken place. On their return home, Miss Mary A., daughter of Charles Strong, of the C. P. R. office, King street, accompanied them. She will go to Vancouver and will remain for some time at the guest of her aunt, Mrs. F. E. King.

MAY CALL REV. MR. PIERSON. Referring to a Sunday that Rev. Mr. Morgan will be transferred from the A. M. E. church in Yarmouth to Ontario, the Yarmouth Times says: "Who will succeed him? Rev. Mr. Pierson, now laboring in St. John, will be asked to come, but it is doubtful if he would entertain the idea. The Yarmouth district is none too well off, while St. John furnishes a good salary to a pastor daily. Still, if Mr. Pierson feels that he could accomplish any good here he may possibly consent to make the plunge. He is a very fluent speaker, and during his visit here last year made many friends."

EXHIBITION NOTES

Building Decorated—Aviator Who is coming is Noted Man.

The exhibition buildings have been decorated magnificently with thousands of yards of vari-colored bunting. The electric lights are now strung in the various buildings for the installation of the Tungsten system of lighting, which is to transform the familiar scenes. George Emil Mestach, who is to give two aeroplane flights daily during the fair, won the Paris-Madrid race in 1911 and was the first aviator to carry the United States mails, doing this service from New Orleans to Baton Rouge in one hour and thirty minutes amid clouds, rain and adverse winds.

T. W. Hand & Co., of Hamilton, Ont., the fireworks firm under contract to present the war spectacle "The Bombardment of Tripoli" at the exhibition, advise the management of the show that their advance crew of workmen will arrive here early next week to set up the framework. More than a car load extra fireworks will arrive also. The exhibition management is communicating by telegraph with the manager of the Neapolitan Troubadours relative to a possible change in the contract of this body of musicians, which may be necessary unless the leader of the band recovers from an injury received a week ago. The New York office propose to substitute Spica's Royal Vaudeville Band—a magnificent organization—but the exhibition people are trying to make better terms, as the latter aggregation is considerably more expensive than the Troubadours. Tomorrow should decide the matter.

LATE MARKET PRICES

While most lines of staples in the grocery trade have gone up in price, indications are that there will be a reduction in dried fruits during the coming winter. It is also interesting to note that within a fortnight or so there should be a decline in rolled oats. The new crop of dried fruits, expected for market about November 1 is said to be most promising and is expected to signify a drop in the cost of raisins and currants, prunes, dried peaches, apricots, etc., all of which had gone up during the last few months. Regarding rolled oats, while the market now is rather strong, and quite active, there appears to be a feeling that more business would ensue if prices were lower, and at present buyers are holding down only for immediate needs. Delivery in new crop oats is somewhat remote just now, but promises are bright, and if no decline comes within the next ten days, it is certain to be felt later. Following the continued scarcity in pork, lard has gone up slightly in price.

FRYER GOES TO CAPE BRETON

Good News From Al Sweet—Woodstock Releases Three—Hodd Does Well in Toledo

The Marathons on Saturday were without the services of Jack Fryer, who left on Saturday morning for Cape Breton to play in the league there. Fryer, it is said, had a contract to go to the Western League, but did not report. He is the property of the Chicago White Sox and expects to play in the big league next season.

Joe Page, who arrived in the city on Sunday, received a letter from Al Sweet, who is playing with the Des Moines Club. Enclosed in the letter was an account of a game which Al pitched. It was between the Wichita team and the Des Moines club, and went for thirteen innings. The game was called at the end of the thirteenth with the score of 1 to 1. Callahan, who played in the N. B. and Maine League last year, pitched for the Wichita Club and played a great game.

Sweet writes that he is in great condition and pitching good ball. A Woodstock Special says: "O'Donnell, who has been playing second base and Pitcher White and Manager McMahon were released this morning. Three men engaged at the beginning of the season have been ordered to report here at once. There is considerable feeling over the playing of two of the ex-members of the team and it is the opinion of the fans that their efforts were not directed towards winning the pennant for Woodstock."

According to a despatch received this morning by the Times a former St. John boy, Walter Hodd of North End, is making a success in baseball in Toledo, O. Hodd played here a few years ago with St. Peter's team, and also in some other baseball nines about the city and was recognized as a very capable pitcher.

FIVE CARS ON P. E. I. RAILWAY WERE IN WRECK

Train in Trouble on Way From Charlottetown to Cape Traverse—No One Hurt

(Special to Times.) Charlottetown, P.E.I., Aug. 18.—Yesterday afternoon a serious accident befell the Cape Traverse train which left Charlottetown at 11.05 with driver Douglas McEwen and Conductor John H. Hughes in charge. The train was traveling at fifteen miles an hour, and when approaching Emerald, about a quarter mile east of the station, a box car left the rails, quickly followed by another box car, a stock car containing binder twine, a baggage car and finally the five toppling on their sides.

A wrecking train was sent from Charlottetown in charge of Conductor Stetson, and the work of building a temporary track was accomplished. There were forty-six passengers on the wrecked train. Happily no injuries were reported. The baggage and freight on the overturned cars were not damaged. As a result of the wreck the Tignish accommodation was held up two hours at Charlottetown.

SITON'S HORSE BREAKS WORLD'S JUMP RECORD

Clifford Siton's bay gelding, which won so many laurels at the Olympic above, London, broke the world's record of seven feet ten inches, by taking the hurdles at seven feet 10.25 inches at the horse show here. Mr. Hamilton rode the Siton horse. Skyscraper was second.

THE JOKE ON BILL

The Oldtown correspondent of the Bangor Commercial writes:—City Marshal Fernandez, after being shadowed for two or three days by inspectors of the St. John, N. B. police department and then having to fairly tear himself and his wife away from their friendly detaining hands, has returned to Maine, but his experience in the metropolis of the maritime provinces leads him to think that there are nice places in the world outside of Old Town. According to Bill Fernandez, that little telegram which his loving friends sent to the St. John police had an effect and until he produced his wife, they really thought he had cooped with a young girl. Wherever he went he was watched and followed and was finally given a tip by a friendly newspaper reporter, to get out of the city quick, as the police had a wire to arrest him. Of course, it didn't take the general Old Town marshal long to get down to that police station and square himself with his contemporary officers, who made violent amends for their gullibility by extending him the keys of the city and all they had a claim to, therein. Now he, on his way home, and it is just possible that he may forget and forgive—but that's not like Bill. The man who sent that telegram should look all their doors and windows at night and cross to the opposite sidewalk, when they see Orman Brown Fernandez coming, for awhile, anyway.

Miss Booker has returned to her home in Lewiston, Me., after a delightful visit to her cousin, Miss Daisy K. Gayton, 28 Harrison street.
