## Danced 27 Hours To Win World's Record; Texas Maid Triumphs

San Antonio, Texas, April 7.—After dancing exactly 27 hours to the minute without stopping at the Audubon Ballroom at 16th Street and Broadway, New York City, last Saturday night and Sunday, Miss Alma Cummings of this city took her newly-won world's record and went home, where she discarded a pair of dancing slippers in the sole of each of which had been worn a great round hole, took off a pair of hose from which the feet had almost entirely disappeared, gave her feet a hot bath and went to bed.

Friday morning Miss Cummings faced a battery of moving-picture and other cameras with sparkling eyes and undiminished pep.

"Dined" replied Miss Cummings brightly, to the solicitous inquiries of reporters. "Why, no, I'm not tired. Just a night's sleep was all I needed."

### Elaborate Plans Completed at Armory and a Large Crowd Expected.

All arrangements for the opening of the automobile show under the auspices of the St. John Automobile Trades Association have been completed for Monday night. Today the work of placing the exhibits on the spacious floor of the Armory will be completed and then all that will remain to make the show the best ever held is the support of the citizens. The admission price is well within reach of all and the management expects a record number to attend and inspect the very latest models of the automobile manufacturers' art.

Mr. Royden Thomson, president of the association, will open the programme and will introduce His Honor Lieutenant Governor Todd, who will deliver the formal opening address. Following the Governor's speech will be selections by the orchestra and solos by Mrs. Blake Ferris, Dr. Percival Bonnell and A. C. Lawrence, Montreal bartitone. ### IMPERIAL GRAND ORANGE COUNCIL.

Meeting in Winnipeg in July With Rev. D. Ness of Scotland Presiding.

Winnipeg, April 7.—During next July the Imperial Grand Orange Council of the World will meet in Winnipeg under the presidency of Rev. David Ness, M. A., of Glasgow, Scotland. The body consists of representatives of the Orange order from all parts of the British Empire and the U. S., and convenes once in every three years. The only time the council met in British America was during 1906, when the case of Surgeon vs. Gordon, in which the plaintiff claimed \$5,000 damages for the alleged alienation of his wife's affections.

Mr. Mullin said last night that he would advise his client to appeal.

## Men's Custom Tailoring

If you have a man refer to his automobile as a classy bit of machinery that cost pretty well "but worth the price," you may conclude that it has taken him where he was going and brought him back so often and so easily, that he has adopted it into his family and given it a name.

When you know that Gilmour's has made your friend's clothes for ten or forty years, it is sure as preaching that plenty of good effort has been made to build up and to retain such patronage, and that it could neither have been builded or retained by inferior goods or poor workmanship, at any price.

So our future slogan can only be stated in terms of present and past performance, both as good as possible.

An abundant variety of Spring Suits in stock—fancy and the worsteds—and staple blue and grey serges. Drop in Monday and leave your measure.

## Never Let a Cold Get a Start

Follow the Good Advice of a London Woman

The quick direct treatment for colds of children and grown-ups, too, is an application of Vicks over throat and chest at bedtime.

Not only is Vicks absorbed through the skin, but its healing vapors of Camphor, Menthol, Eucalyptus, Turpentine, etc., are breathed all night directly into the affected air passages. Relief usually comes by morning. Just as good, too, for cuts, burns, bruises and itching skin troubles.

Mrs. Lily Waghorn of 126 Elliott St. London, Ont., says: "I am pleased to tell you I have never found anything to equal Vicks VapoRub. My daughter had a terrible cold and sore throat. I rubbed it on her forehead as her head was aching and got her to bed. Next morning she was nearly well. I think it the best yet for colds or chest trouble, also catarrh in the head, as it loosens up the air passages so quickly."

At all drug stores 50c a jar. For a free test size package, write Vicks Chemical Co., 44 St. Paul St., W., Montreal, P. Q.

Though Vicks is new in Canada, it enjoys a remarkable sale. Over 17 million jars used yearly.

### SHOOT FATHER FROM BARRICADED ROOM

Columbia, Pa., April 7.—Barreeding himself in a second-story room Wednesday, Victor Arms opened fire on his father, George W. Arms, and Chief of Police Harry F. Hartman, who were pursuing him. Both men were seriously wounded. Hartman dying a few hours later. The father was shot through the abdomen and his condition tonight was reported critical. Fleeing from his home after the shooting, young Arms ran through the streets brandishing his pistol. He was finally overpowered and turned over to the state police.
