## A MONO MILLS MIRACLE

A TALE THAT READS LIKE A NOVEL.

A Story of George Hewitt—Helpful for Thirty Years—At Last Finds Relief—How He Found It—The Story of the Wonderful Cure.

Several months ago, in common with many other journals of Ontario, has been publishing accounts of miraculous cures in various parts of Canada and the United States. Mr. Hewitt confesses, however, that he has paid little or no attention to these reported miracles, and probably no indifference would have continued to the end had it not been for a little incident that occurred in our office when Wadhams's circus was in Orangeville a few weeks ago. Mr. Stewart Mason, a respectable young farmer of Albion township, called at our office on business on that occasion, and as he was leaving we happened to ask him—of course generally pursued by these newspapers in search of news—where there was anything new in his vicinity. He replied that there was nothing very startling about it, but that he had heard of a wonderful cure of a man named Hewitt at Mono Mills. We confessed ignorance, and then Mr. Mason said that from what he had heard it was undoubtedly another miraculous cure through the agency of Dr. Williams' Pink Pills. We had heard of Mono Mills. We confessed ignorance, and then Mr. Mason said that from what he had heard it was undoubtedly another miraculous cure through the agency of Dr. Williams' Pink Pills. We had heard of Mono Mills. We confessed ignorance, and then Mr. Mason said that from what he had heard it was undoubtedly another miraculous cure through the agency of Dr. Williams' Pink Pills.

## TOPICS OF THE DAY.

What the Gossips Have to Remark about.

The Trend of Matters Political, Parliamentary or Otherwise.

Some Touch-and-Go notes of all Noteworthy Events of the Day.

By the latest figures the majority for the democrats of the United States will be about ninety in the next house.

A Free Trade Club has been organized at Ottawa. The members of the government have not yet, but probably will affiliate themselves with it.

There are a few very anxious office holders just at present. A few changes will probably take place. The unvarying are always liable to be caught in a pit (1) fall.

The Dominion election in St. John this week resulted in a victory for Mr. John A. Cleesley, who defeated Mr. George A. Robertson by a majority of over 300. Both men were conservatives.

The Orangemen of Queens and elsewhere will probably be pleased to learn that Mr. Neales will not be elected to the dignified title of "Mingwung."

The city contains, at the present time a few particularly sick oppositionists. The result of the election in Queens, after Mr. Neales' victory, is an illustration of the old adage that the victor is the vanquished.

There are three candidates in the field in Kent county for the vacant seat in the House of Commons. Hon. O. J. LeBlanc is the liberal candidate. Mr. Basil J. Johnston is the conservative and Mr. George V. McInerney is out as an independent conservative. The election takes place on the 6th of December.

Much sympathy is expressed for Mr. Neales, the defeated candidate in Queens, who so foolishly allowed himself to be named in the "Globe" as the opponent of Mr. Blair. Mr. Neales, who holds the position of County Master of the Orangemen in that county, and was practicing law at Gagetown, at the same time holding two government positions has been steadily increasing his business, and was a fairly popular man. Mr. Neales will probably seek other office, as Gagetown cannot support any lawyers without government appointments.

We congratulate the Hon. Attorney General on his election in Queens, we regret that he is not an Orangeman, but at the same time we are sorry to think that the man who represented York so many years, was rejected by this constituency, merely because our electors allowed themselves to be carried away by vile and untruthful slanders thrown out by the opposition.

An Ottawa despatch, says Mr. Chaplain's friends are very angry over Mr. Costigan's statement at Saint John that nobody but an ass would oppose Mr. Blair. Mr. Neales, who holds the position of County Master of the Orangemen in that county, and was practicing law at Gagetown, at the same time holding two government positions has been steadily increasing his business, and was a fairly popular man. Mr. Neales will probably seek other office, as Gagetown cannot support any lawyers without government appointments.

The handsome majority by which the Attorney General was elected in Queens on Tuesday last, is proof positive that Mr. Blair, as a politician, is stronger to-day than ever before. Another fact that was clearly demonstrated in the election, is that the orangemen, as a body, are not in favor of, but directly opposed to the measure used by Mr. Pits and the opposition in this county in the late election, and the endeavor to carry Queens county in the same contemptible manner, (the banner county of the orangemen in this province) resulted in an ignominious defeat of the County Master of the order in Queens, who through the efforts of a few fanatics from York was induced to oppose Mr. Blair. It is to be hoped the right thinking people of the country will not judge the orangemen as a body by the few agitators, who unfortunately belong to the order, and made themselves so conspicuous in the late elections. Black sheep are in every flock.

The May Case. Mr. W. Robert May of St. John, returned Wednesday afternoon from Boston. His trial has been again postponed till May and his bail reduced from \$5000 to \$5000. Mr. George May, well known in this city, who was formerly held in \$10,000 bail, was not required to give security at all. These postponements seem to indicate that the merchants are not very anxious to push the case.
