PARTY ARRIVES

MR. MARPOLE PLEASED

Sites of the Term-

ina's

(From Thursday's Daily.)

R. Marpole, general executive as

sistant; J. Cambie, consulting engi-

neer, and C. E. Cartwright, divisional

engineer, arrived in Alberni yesterday,

according to advices received from

there to-day. This is Mr. Marpole's first

visit to that place. He spent yesterday examining the harbor and the possible terminus for a branch rallway, also

visiting Sproat Lake.
While declining to divulge the company's plans, Mr. Marpole expressed

himself as delighted with conditions there. The sawmill which is being

built at the head of the canal, be-tween the old and new town, and the

expressed great admiration for the fine

expanse of water revealed in the har-

TWICE-A-WEEK EDITION.

VICTORIA, B. C. FRIDAY. MAY 10, 1907.

. vide a Quicker Time. The C. P. R. manifests a disposition

to improve the service across the con-tinent, making it second to none among the railway lines tapping western America. The latest move, according to a dispatch from Montreal, is to ing to a dispatch from Montreal, is to inaugurate a new service which will be faster than the present express running from Montreal to the Coast.

The intention is to make this new service tri-weekly, and it will make the trip in about 85 hours. This will approach very closely to the time which has been made by the train carrying the Overseas Mail, and will be WITH THE PROSPECTS Inspected Harbor and the Proposed carrying the Overseas Mail, and will be

a popular service. The local offices have not received ny information relative to the company's intention along this line as yet patch from Montreal.

WAS CONSIDERED BY

Victoria West School Site and Second Year University Work Also

(From Thursday's Daily.)

Prof. Ricco, well known seismologist, makes no concealment of his apprehensions concerning situation as the streat eruption of Mount Aetha in 1802 was preceded by a phenomenon similar tention.

Trustee Riddell, chairman of the building and grounds committee, submitted plans for sewering and other minor work in connection with the Rock Bay and Victoria West and illumination. He reported that the had been in communication with the card notification being sent out to the first to This will be honored by Hibben & report. He stated that their original grant of \$400 was not sufficient for both will as usual be obtainable. In the event of there being time for the post of the post of the property of the post of t left in the hands of the chairman of the board and the buildings and grounds committee, with power to act.

Trustee Riddell then spoke of the proposed additional school for Victoria West. He said that after with the proposed additional school for Victoria West. He said that after will approximately action with the proposed additional school for Victoria west. West. He said that, after going over the ground very carefully, he was of Address to Be Delivered By Capt. the opinion that the best site that was on the rock by the present school. The building could be placed on the big rock there, and when the present

the Victoria and Esquimal branch of the Navy League, which will be held in the city hall on Tuesday evening next. His Worship Mayor Morley has consented to preside over a most interesting programme, which is now being prepared, and the meeting promises to be one of the most entertaining ever held under the auspices of the League. Chief among the many items on the programme will be a forcible address by Capitan Clive Phillipps. Wolley bearing on a subject of local as well as Imperial importance. The message of the address by Capitan Clive Phillipps. Wolley bearing on a subject of local as well as Imperial importance. The message of the address will be directed toward general recognition of the advantage to be gained from the control of the Pacific by British Columbia in the way that the Motherland controls the Atlantic. The speaker will point out the necessity for both commercial and naval supremacy on the western ocean, and his remarks cannot fail to be of especial interest to all having these questions at heart.

The remainder of the programme will be made up of appropriate addresses and musical and vocal contributions, and from all having these questions at heart.

The remainder of the programme will be made up of appropriate addresses and musical and vocal contributions, and from all having these questions at heart.

The remainder of the programme will be well spent by all who attend the meeting.

Joseph Peirson, secretary of the local branch of the league, has been notified that several hundred mementoes, similar to the ones presented by Mr. Matthews, of the British and Foreign Sallore' Society, upon the occasion of his visit here, are on the way to Victoria for distribution.

ARRANGING FOR

LAST NIGHT

ally Good--Various Requests

(From Thursday's Daily.)

(From Thursday's Daily.)

The board of school trustees met in Supt. Eaton's office last evening and, during a long session of two and a half hours, transacted a large amount of general business. The Victoria West school site, affiliation with the Royal Institute of Learning, the appointment of lava is increasing and the air is thick with it. Earth shocks also have been experienced.

(From Thursday's Daily.)

The board of school trustees met in Supt. Eaton's office last evening and the duration of his stay is uncertain, it is possible that there may be no time in which to hotify the members in the formal way. It is, therefore, stated for the information of all members of the local club, that should there not be time in which to dispatch these notices that tickets will be obtainable on presenting the common the fireworks and illumination, musical and parade committees. These reports were all very favorable, and as all arrangements for the information of all members of the celebration are now practically the party as a whole will accept the bill, although the convention is certain tickets will be obtainable on presenting the ordinary membership ticket.

Prof. Ricco, well known seismoin—

FATE OF COUNCIL

of Measure.

Dublin, May 9 .- The fate of Mr. Birril's Irish council bill is regarded here as depending entirely on the attitude taken by the proposed National convention, and this nobody is able to predict. There is no doubt that the Nationalists, rank and file, are deeply disappointed in the proposed measure, and it will take all John Redmond's influence to obtain from the conference a resolution in its favor.

A prominent Nationalist said yeste

day: "We are not enthusiastic about this bill. It does not go far enough, and in some respects it involves irri-tating limitations, but we are prepared to accept it as a step toward some

More outspoken members, however, strongly condemn the bill, and it is reported that some of Mr. Redmond's followers even threatened to resign if the bill was accepted.

But the revolt was to a great extent smoothed over on condition that ef-forts would be made to secure a modiand this morning President McCurdy received a dispatch in reply accepting the same.

The celebration committee met last fication of the measure, and it is between the same.

the forthcoming convention. They should also show that they recognized the kindly feelings Premier Campbell-Bannerman, Mr. Birrell and the government seemed to entertain for them.
