The Torture of Dreyfus

Half the Cruelties Inflicted Have Not Yes Been Told.

Story of His Treatment on Devil's Island Will Soon Be Published.

M. Zola is Holding Himself in Reserve For a Great Effort on Behalf of Prisoner.

(Associated Press.) Paris, July 20.-The most contradictory statements of all kinds continue to appear regarding the Dreyfus affair. Thus Major Esterhazy, over his own signature, leiterates the guilt of Captain Dreyfus, without, however, offering any proof and charges several generals with various grave offences. At the same time Major Esterhazy's nephew accuses his of being the worst sort of a "black whose word is utterly worthless. The same sort of contradictions appear oncerning the treatment of Captain eyfus on Devil's Island. One side holds that the prisoner was dreadfully tortured, the other that he was treated with humanity, but it is said by a person n a position to know the whole truth a faster service. hat not half the cruelty inflicted on Dreyfus is yet known. His friends are idently keeping back the complete

tion and deserved punishments will fol-M. Zola's powerful pen will be resharpened on these points, and just before the opening day of the trial will appear in a grand article with the aim of winning the favor of the military judges. After the verdict he will address an open letter to the President of the Republic, a sequel to the famous "I accuse" addressed to President Faure. This will be triumphant in tone, vindicating his cause and tire scope of its work, confounding his enemies. Then, when the will address his final message to the country, designating by name those who are guilty and boldly demanding punish-

story until after the verdict, when all

will be revealed and universal indigna-

Zola is holding himself in the strictest reserve in order that his re-appearance may produce the greatest effect. "Not the least striking feature of the whole affair," remarked one of Zola's friends, "probably, will be the final act of the great novelist, who has lost health and money in this noble crusade." Dreyfus's lawyers have applied to M. Ducrais, Minister of the Colonies, to see all their clients' intercepted letters. Among these letters are many urgent appeals for justice, addressed to the presidents of the Senate and Chamber of Dep-
