HAD A DREADFUL COUGH FOR OVER SIX MONTHS. Thought It Would Turn into Consumption.

Miss Jane Doughty, Point a la Pêche, Que., writes: "Just a few lines of praise I must write on account of your famous remedy, Dr. Wood's Norway Pine Syrup. I had been suffering from a dreadful cough, for over six months, and tried everything but in vain. I thought it was going to turn into consumption. A friend happened to come to my house, and was so frightened when he saw me he nearly dropped. He asked me what I was taking, so I showed him some medicine I had, but he said for me to try Dr. Wood's Norway Pine Syrup. I bought a bottle and before it was finished I was well, and did not cough a bit. I will recommend your medicine to every suffering friend, for I know it will do good to them just the same as it did me."

ARGONAUT AND OTTAWA IN SCRAMBLE FOR BALL

PRINCETON AND YALE TIE-- OTHER COLLEGE RESULTS

Princeton, N. J., Nov. 16.—Princeton and Yale in their annual football game on University Field today played each other to a six to six tie. So evenly were the teams matched that neither had the power to rush the ball to a touchdown. Each team put up a stonewall defense, and all the scoring was done on goals from the field and a goal from placement. The result of the struggle was unsatisfactory to both sides, and especially to the thousands of Princeton rooters who saw the game slip from their hands in the last few minutes of play. The hero of the game in the eyes of Yale was H. A. Pumphrey, of Orange, N. Y., who, coming into the match in mind for Thanksgiving Day and he will have a chat with Bill Nolan about a probable match between Willie Ritchie and Frankie Burns that he proposes to stage in the city on Thanksgiving Day. Graney would not say how far along he was in the negotiations pending for the Ritchie-Burns match.

THE BRITISH AND CANADIAN FOOTBALL RESULTS SATURDAY

London, Nov. 16.—The great surprise in the first division today was the defeat of Newcastle United on their own ground by the Derby County, to the extent of 4 goals to 2. The Aston Villa maintained their place at the head of the league by a win over Manchester United, although the latter managed to score two goals. The City, the other Manchester club, did well to beat Sunderland. Poor Chelsea again succumbed at Stamford Bridge, the Spur came a crop per against the United at Sheffied, and Woolwich Arsenal managed to draw at home with Everton. The three London clubs were once more without a victory. The "Prothers" of Bolton not did well in the second division. Burnley rubbed it in to Fulham by a 2-0 victory. Preston North End made their promotion prospects brighter by defeating Leeds City. Preston North End vanquished Burnley, the English cup holders. How He Escaped An Operation And Was Completely Cured of Piles of 14 Years' Standing by Dr. Chase's Ointment

Doctors say that about one person in every four suffers more or less from piles, and who can imagine a more annoying, torturing, disagreeable ailment? After trying a few treatments without success, and as the ailment grows worse, the medical doctor is consulted. An operation, he says, is necessary. You think of the suffering, expense and risk to life itself, and hesitate before taking such a step. In many thousands of such cases Dr. Chase's Ointment has made thorough and lasting cures. Read this letter for the proof. Mr. Charles Beauvais, a well-known citizen of St. Jean, Quebec, writes: "For 14 years I suffered from chronic piles, and considered my case very serious. I was treated by a celebrated doctor who could not help me and ordered a surgical operation as the only means of relief. However, I decided to try Dr. Chase's Ointment, and obtained great relief from the first box. By the use of three boxes I was entirely cured. This is why it gives me great pleasure to recommend Dr. Chase's Ointment to all who suffer from piles as a treatment of the greatest value."
