## Suffered Terribly Until She Took "Fruit-a-tives"

St. Jean De Matha, Jan. 27th, 1914. "After suffering for a long time with Dyspepsia, I have been cured by 'Fruit-a-tives.' I suffered so much that I would not dare eat or I was afraid of dying. Five years ago, I received samples of 'Fruit-a-tives.' I did not wish to try them for I had little confidence in them, but seeing my husband's anxiety, I decided to do so and at once I felt relief. Then I sent for three boxes and I kept improving until I was cured. While sick, I lost several pounds, but after taking 'Fruit-a-tives,' I quickly regained what I had lost. Now I eat, sleep and digest well—in a word, I am completely cured, thanks to 'Fruit-a-tives.'"

MADAM M. CHARBONNEAU. "Fruit-a-tives" is the greatest stomach tonic in the world and will always cure Indigestion, Sour Stomach, "Heartburn," Dyspepsia and other Stomach Troubles.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

He was brought into court and formally charged with the offence. Officer Jeffrey testified concerning the circumstances under which he came upon a man under a coat and the prisoner in the bar. Moore and Lewis Newman, two boys who were arrested some time ago on a charge of breaking and entering Williams' second-hand store on Mill street, and the store of Thomas Dean, 30 Mill street, were again before the court and some further evidence taken. # OPERATION OF VALLEY RY. BY INTERCOLONIAL BEGINS TOMORROW

## Supt. Price making Inspection Trip prior to inauguration of line—S. B. Wass named Ass't Supt—Fredericton to Centreville five hour trip under new schedule.

Special to The Standard. Fredericton, Dec. 30.—Evan Price, Superintendent of the I. C. R., with headquarters at Campbellton, arrived today in his private car, and went to Centreville over the St. John Valley Railway tonight on an inspection tour prior to inauguration of operations of the road as a part of the Intercolonial Railway on Friday.

The Valley Railway will be a part of Mr. Price's division and the appointment of Mr. S. B. Wass, lately chief engineer of the Quebec Railway Company, as assistant superintendent in charge of the operation of the Valley Railway is announced.

Five hours is the running time, under schedule for I. C. R. operations on the Valley Railway between Fredericton and Centreville. This includes a stop of about half an hour at Woodstock. The distance from Fredericton to Centreville over the Valley line is 82.2 miles, while from Fredericton to Woodstock it is 63.2 miles. The running time between Fredericton and Woodstock will be three hours, the train going north leaving here at 4:30 o'clock and reaching Woodstock at 7:30 p. m.

Between Fredericton and Meductic there is now a tri-weekly mail service carried by stage, but with the operation of the Valley Railway by the I. C. R. it is expected that mail for the entire district served by the line will be carried on the train. Between Fredericton and Meductic there will doubtless be a daily mail service with free rural delivery routes established.

Mr. S. B. Wass, who has been in the Valley, here today engaged in departmental business.

George M. McDade arrived here this evening from St. John to visit friends for a few days and is being heartily welcomed.
