A FISTIC ENCOUNTER.
Some of the warriors in the bootleggers' units must not rumor has it—dreadly combat a few days ago outside the city, when aroused by jealousy over "a squeal" being made to the inspectors by one of the gang, which implicated many. The coliseum for the display was open ground, and not held in as in the old days of Rome by high stone walls.

Board of Fernhill Directors' Meeting

Col. E. T. Sturdee Re-elected President—Plan for Small Lot Section Adopted—Naval and Military Monument Given by Daughters of Empire.

The first meeting of the new board of Fernhill directors elected at the annual was held yesterday afternoon for the election of officers and transaction of other business. Colonel E. T. Sturdee, S. S. D., was re-elected president, and E. L. Rising, vice-president. Miss O. M. Magee was re-appointed secretary-treasurer, and J. P. Clayton, superintendent.
The following gentlemen were elected to the lot committee to have specially in their care matters pertaining to lots:—E. L. Rising, F. F. Hainington, R. H. Dockrill, A. W. Adams, E. T. Sturdee, C. E. Scammell, H. C. Rankine.
The directors elected to the executive committee:—Col. E. T. Sturdee, R. W. W. Frink, J. A. Lohely, F. Campbell, G. W. Ketchum, His Honor Judge Forbes.
The directors adopted a plan for a small lot section, where one or two graves can be purchased under perpetual care. This will fill a long felt want, as there are many who do not require as much land as that contained in a half lot, and yet desire a perpetual care location. Each plot in this new section—which is located at the junction of Central and Water avenues immediately opposite the Naval and Military plot—will be three by ten feet, giving room for interment and the erection of a good sized monument, and providing both land and perpetual care of same for a moderate sum.
A design for monument to be erected on the Naval and Military plot in Fernhill by the Imperial Order of Daughters of the Empire, was submitted and approved by the directors. An erroneous impression has prevailed that this was to be a memorial for all the boys who fell in the great war. Such is not the case, as it is felt such memorial should be very much more costly than would be the power of the I. O. D. E. to erect, and should be participated in by every citizen who desires to do so. The monument in question is for the boy who lies in the Naval and Military plot. The Daughters of the Empire had hoped to erect a tall shaft or monument with a bronze figure, but it was found the cost would be beyond their means altogether. The design accepted will be made of New Brunswick granite, fashioned by St. John workmen, and will have four bronze panels or tablets, also a St. John product. The contract has been closed with J. S. Seaton, and it will be erected sometime during the coming summer. A suitable inscription will be carved in raised letters, showing by whom and for what purpose the monument is erected. The words "Our Honoured Dead," will be on one bronze tablet surrounded by a wreath of laurel, the symbol of immortalization. Another tablet will show some symbol of the Navy, and a third, of the Army. The height of the monument will be about eleven feet, and it will cost in the vicinity of twelve or thirteen hundred dollars.

BAQUET FOR THE ORIGINAL VETERANS
Men Who Were in France up to April, 1915, Will Dine—Armory Mess Room Allowed by General Macdonnell.

Arrangements for the banquet on Tuesday next to be tendered to this city to the men of the first contingent who were in France early in the war, and up to the end of April, 1915, were furthered yesterday at an executive meeting of the committee in charge of making all arrangements. All returned men of this section who were in France during the period mentioned are, it is so announced, entitled to attend the banquet, which promises to be the "event" of the year in military circles. Tickets for the entertainment are in the hands of the following officers: Major Peat, of the medical corps; Louis Lelachour of the signalers; Lieut. S. G. Tupper of the infantry; Sergeant McCarthy of the Army Service Corps; and Sergeant Powell of the artillery sections.
The banquet will be held in the new mess room of the armory, General Macdonnell, G. O. C., of the district having kindly placed these premises at the disposal of the committee in charge of the affair.
The function will commemorate the commencement of the famous struggles in 1915 marked by the battles of St. Julien, Langemarck, and Ypres. The event promises to be the feature military function of 1915, and the Veterans will no doubt receive all due and hearty co-operation in their endeavors to make the affair well worthy for the aims for which it is being held.

Salvage Corps Annual Meetings

Nos. 1 and 2 in Session Last Night—K. J. MacRae and R. J. Cunningham Elected Captains—Reports Show Good Work During Year.

The annual meeting of the City Salvage Corps and Fire Police was held last evening, No. 1 company in their rooms, No. 3 Engine House and No. 2 company in their rooms, No. 5 Engine House. The companies met at a good hour with bright prospects ahead for the coming year. No. 1 did not have any entertainment this year, it being their intention to hold their regular meetings with their overseas members return. At No. 2, after the business had been concluded, an excellent programme was carried out. Light refreshments were served at both, before breaking up.
No. 1 Company.
Before the annual meeting convened a special meeting of the Corps was held, at which Arnold T. Pitt was appointed driver of the Salvage Corps motor, William H. Riddick, the former driver having resigned to accept a position with Jones and Schofield. Mr. Pitt is a returned soldier, who went overseas in 1914. Mr. Riddick was then called to the front, and presented by Capt. MacRae with a handsome pipe, suitably engraved, and one pound of tobacco, with the good wishes of the Corps for success in his new job. In replying, Mr. Riddick thanked the members for the kind words and the gift, assuring them that he would always remember with pleasure the time spent as a driver with No. 1.
The 37th annual meeting was then called to order. The report of Secretary Howard dealt very fully with the year's work. During the year eighty-six alarms had been responded to, one of the largest in the history of the Corps, seventy-two hours' work had been done and one hundred and fifty covers had been spread. For the year, thirty-three hundred and fifty-five alarms had been responded to, three hundred and four hours' work done, and six hundred and five covers spread. The members of the Corps Foreman James Sterling, made a perfect record for attendance, answering the roll call at every fire and in the last three years had only missed six times, two hundred and twenty-two fires.
The election of officers resulted as follows:
K. J. MacRae—Captain.
G. Harvey Tapley—Lieutenant.
E. P. Howard—Secretary.
E. A. Ellis—Treasurer.
Dr. L. A. Langstroth—Surgeon.
James Sterling—Foreman No. 1.
W. L. Stewart—Foreman No. 2.
Fred Dolg—Foreman No. 3.
Thomas H. Tongue—Foreman No. 4.
No. 2 Company.
The annual meeting of No. 2 was well attended, and after the business had been concluded a social hour was spent.
Secretary Cunningham presented a very full report of the year's activities and made a fitting reference to the death of one of the members of the Corps who died as a result of shell shock, Capt. Frank Ellis, and referred to the fact that a member of the corps, John Thornton, had been elected to the office of Commissioner of Public Safety. During the year the Corps had answered fifty-two alarms with an average attendance of fifty per cent of the members at each. One honorary member had been conferred during the year, to William Carvell, who had given ten years' service to the corps. The social activities of the corps had been most successful. The election of officers resulted as follows:
R. I. Cunningham—Captain.
William L. Brown—Lieutenant.
Charles A. Cunningham—Secretary.
Charles C. Sullivan—Treasurer.
Dr. C. M. Pratt—Surgeon.
George Carvell—Foreman No. 1.
William J. Morrissey—Foreman No. 2.
Fred Campbell—Foreman No. 3.
Henry Appleby—Foreman No. 4.
At the conclusion of the election of officers, the following programme was carried out: Songs by Dewitt Cairns, Bayard Stillwell, W. C. Parker, R. G. Carson, F. J. Punter and the Holder Quartette, the company of Messrs. Holder, Kierstead, Smith and Burt; reading by Thomas Stack; sketch by Mr. Duplissier, and addresses by Commissioners Thornton, Bullock and J. C. C. and Capt. Cunningham.

APPOINTMENT OF ARMY HUT OFFICERS.
A. E. O'Leary, Rimabucto, well known throughout the province, has been appointed secretary to the Knights of Columbus army hut in this city. Mr. O'Leary has as assistant James Power of the city who is considered a capable and genial official, and the two working in harmony augur well for the future success of the huts. Mr. O'Leary is a brother of Bishop O'Leary of the Chatham diocese, and a second brother is Bishop over the Charlottetown diocese.
Consequent upon the appointment of Quartermaster Sergeant George Hennessy, former secretary, to the present position of assistant superintendent of the Dominion Employment Bureau, his vacancy was filled by the appointment of Mr. O'Leary who at former time was chief game and fire warden for the province and fire inspector for the board of railway commissioners. A son, Philip Lieutenant E. L. O'Leary, M. C., is yet overseas and saw much service.
Clement Donovan, the former assistant secretary, being taken up duty in the railway mail services, has been succeeded by Gunner James Power, a son of Sergeant Detective John T. Power. A son, Philip Lieutenant E. L. O'Leary, M. C., is yet overseas and saw three years' service overseas and was in the Somme battle, as well as in numerous other engagements.

Annual Session of Orange Grand Lodge

Large Attendance at Opening Yesterday—Grand Master's, Secretary's and Treasurer's Reports Received—Resolutions at Evening Session.

The annual session of the Orange Grand Lodge of New Brunswick opened at Orange Hall, German street, yesterday afternoon, Grand Master H. G. Wadman, of Moncton, presiding. About 120 delegates from all parts of the province are in attendance.
The Grand Master's report touched on the introduction of Orangemen in the province; the members whose homes have been saddened through sacrifices made in the war zone; the convention of the Grand Lodge of British America, which was held last summer in Charlottetown; official visits; the official organ of the fraternity, and the business before the present meetings, which included the report of the committee on memorials, the civil re-establishment of soldiers, and other matters of importance to the body.
In closing he heartily thanked the other Grand Lodge officials who have made his tenure of office a very pleasant one.

The report of Neil J. Morrison, grand secretary, touched on the work of the ladies affiliated with the organization, and the splendid representation of Orangemen among the boys overseas. In his report he reviewed the year's work, the series of lectures which had been conducted by the Rev. Mr. Palmer. There were 104 deaths in the order during the year, of whom 27 were among the casualties overseas.
He believed that now the war is over, a proper celebration of the 12th of July should be instituted.
The audience listened with bowed heads while the grand secretary read the names of the following Orators who have made the supreme sacrifice overseas during the past year:—George Dale Weldon, St. John; Frank Campbell, the Rev. Mr. Campbell, St. John; Harland Grimmer, Bailey, N. B.; W. E. Mercer, S. Bolsten, Fredericton; George W. Phillips, Tracy; Major W. Clarke, Moncton; Donald McCallum, Gathorne; James Ward, Jr., Williamsburg; C. H. Schett, Sydney; Matthew White, Miramichi; Clarence Manning, Jeffrey; S. J. Smith, St. John; Earl Swin, William Johnson, Doaktown; Clarence Law, Loggieville; Clifford Dukes, Stanley; Hazen Elliott, Westford; Walter Reynolds, Edmund Jones, Williamsburg; Robert Smith Salmon Beach.
The Grandmaster's address was later referred to a special committee, which is composed of David Hipwell, J. H. Cochrane and A. D. Thomas.
The report of the Grand Treasurer showed that the finances of the Order are in a good condition, a substantial balance being maintained by the different lodges. A summary of the accounts show:
General fund.....\$1,672.54
Hall fund.....50.00
Moncton fund.....200.00
Special fund.....960.20
Renewal fund.....35.35
Preparation fund.....153.94
Total.....\$3,132.75

The grand treasurer strongly advocated a more strenuous effort in the way of propagation and the engagement of a permanent organizer such as Bro. the Rev. H. R. Palmer proved to be a most successful one.
A press committee was appointed consisting of George E. Day, J. Barry Allan and J. H. Bentley.
The Grandmaster of British America, H. C. Hocken, wired his regrets at being unable to attend.
Reports were received from the counties of York, Queens east, Westmorland, Sunbury and Carleton lodges.
A resolution of sympathy was adopted by standing vote to be presented to the Grandmaster, Mr. Wadman, on the death of his youngest son. The resolution was moved by David Hipwell and seconded by James W. Clark.
In this connection it was announced that the following other members have also lost sons at the front:—D. Hipwell, S. Temple, W. J. Murray, H. M. McRae, R. O. Johnson and H. G. Brewer.

Evening Session.
The evening session was opened by the Grandmaster at eight o'clock. A resolution was passed thanking Bro. Dr. Edwards, M. P., Frontenac, for the resolution he has presented to Parliament regarding the national school.
The report on the proposed Protestant orphanage for New Brunswick created considerable discussion, but was finally adopted unanimously. This orphanage will serve as a suitable memorial for those Orangemen who have paid the supreme price overseas, and a suitable tablet to that effect will be installed in the building.
It was ordered that a telegram be sent to Premier Foster endorsing the application of the provincial command of the G. W. V. A. to make provision for the granting of free scholarships in the universities and colleges to the sons and daughters of those who have paid the supreme sacrifice in the great war.
At midnight, daylight time, the session adjourned to meet this morning.

Two lemon extract prisoners who were doing some work in police headquarters Monday, escaped from the building and up till last night had not been captured.
