as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tunnors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisces.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of GUIDE. COATINGS.

HOUSE OF ASSEMBLY. (Special to the Daily Tribunc.) FREDERICTON, March 24. Hon, Mr. Fraser thought it would be carcely fair to disqualify a man in this way, for he might move into a county or the duties of citizenship. The ratepay ers should in such case be allowed to exercise their own judgment. The bill requires a man to pay taxes two years be ore being eligible to office. Mr. Johnson said in some parts of the Province strangers with neither property nor qualifications of any kind had been
