

General Statement Respecting Theology.

For several years past it has been the purpose of the Board of Governors to provide a course of theological instruction, as soon as the finances of the University should make it practicable. The course in contemplation during these years has appeared upon the pages of the Calendar, under the title: Course for the Degree of Bachelor of Theology.

It should now to be stated that the bequest of the late Godfrey P. Payzant, Esq., of Windsor, N. S., has made the actual teaching of Theology a possibility of the near future. For sufficient reasons, however, no *course* in Theology will be inaugurated during the current college year, and no definite announcement can at present be made respecting courses which may be adopted later on.

During the current year it is expected that the President, who was appointed as a Professor of Theology, will give some provisional theological instruction to ministerial students pursuing the Arts course, the particulars of which will be announced in due time before the opening of the College in October.

The Payzant Beneficiary Fund for students of Theology will become available whenever theological instruction shall have begun, under such regulations as the Board of Governors shall provide.
