TELEGRAM 1994

Ottawa, December 11, 1941

My telegram No. 1967 of December 7th.[†]

Please arrange for His Majesty's Minister at Berne to approach Swiss Government on behalf of the Canadian Government to request that the Swiss Legations at Berlin and Rome take over the protection of Canadian interests from the United States Embassies at those capitals.

It is assumed that when taking over as protecting power for British interests in Berlin and Rome, Switzerland will take over in Finland, Denmark, Rumania, Hungary, and Bulgaria. In any event the Minister's communication to Swiss Government on behalf of the Canadian Government should conform to that made on behalf of the Government of the United Kingdom.

Communications to the British Legation at Berne from this Department will be routed as stated in my above-mentioned telegram.
