

How "Eastlake" Steel Shingles will save you money

Talk No. 1
Quality
By
The Philosopher of
Metal Town

Bank your dollars on quality. Inferior quality, whether in building material or farm implements, is the source of constant worry and needless expense.

It's poor economy to save on first cost, and then—

Pay out two or three times the original cost in repairs, wasted time, inconvenience, etc.

In barn roofing much depends on quality—the safety of your crops, your implements and live stock.

"Eastlake" Steel Shingles are an absolute assurance of safety.

They are made of the finest and toughest sheet steel, perfectly galvanized.

The "Eastlake" workmanship is the best—careful inspection at each turn in the big "Metallic" shops guarantees perfection.

And perfection means satisfaction—a roof that lasts a lifetime.

"Eastlake" Steel Shingles are highest quality, yet cost you no more than inferior roofing that requires replacing or repairing in a few years.

And an "Eastlake" roof means clean rain water for household use.

Let us send you our illustrated booklet, "Eastlake Metallic Shingles." Write to-day—just your name and address on a postcard.
