The New Pathe' Period Designs

*The Crowning Glory of a Superb Achievement.
Wonderful Music housed in Beautiful Furniture.*

THE new Pathe' Cabinets are art-objects of beauty,—worthy temples of the music that pours from them. The very loveliness of their artistic appearance is a delight to one's aesthetic sense and enhances the pleasure of their possession.

In the development of sound-producing instruments, nothing has been more "out-of-tune"—more discordant—more jarring than the plain—often ugly—boxes in which many makers housed their instruments.

It is therefore fitting that the Pathephone, which has attained such signal superiority in musical and mechanical directions, should also lead the way in the beauty of its appearance.

Their creation is the result of that same thoroughness which, during twenty-five years of restless striving after improvement upon improvement, has characterized Pathe' methods.

Men who have made the art of decoration a life-long study were commissioned to design a series of Pathephone Cabinets that would be worthy of the great name of Pathe'.

Exquisite examples of furniture periods most famous in history were selected as the models for the Pathe' Period Cabinets. The result is a collection of instruments unique and beautiful.

*The following designs are now ready. See and hear them at your local Pathe' Agent.
"QUEEN ANNE," "LOUIS XVI," "SHERATON," "ADAMS," "WILLIAM & MARY."*
