His Excellency was pleased to appoint and restore Mr. Robt. Livingston Junr. to be one of the Courts of Ind. Affairs in his former Station & Mr. John Wendell to be left out of a Commission

His Excell. was pleased to lay before a Court this Board with two Affidavits of Maj. Goose van Schaack & David van der Heyden whereby appears that the Carrying place is sufficiently cleared up & mended and that the Wood Creek is cleared up & trees cut & carried away out of the same, so that it is Navigable for about six Miles as the J van Schaack & Van der Heyden have said

Whereupon his Excell. has promised the Undertakers Jan Wemp & Jacob Glen to Endeavour to procure a Warrant to pass in Council for the half of the Money agreed for Compleating the whole Work being £75: - & for the remainder when it shall appear the whole is done

His Excell. likewise mentioned to have promised the J Undertakers £25: - more on Condition that they make a sufficient Cart way

Way from the End of the Road already made, ^{to} Wood Creek, ^{from the} to the place where the Canada Creek falls unto the said Wood Creek which is Navigable all Summer, and that they should likewise make a sufficient Bridge over the J Tomb Creek near the place where the Oneidas usually pass the Creek, when they are going a fishing which is said to be about four English Miles lower then where the J two Creeks join, and that likewise the J Undertakers do remove those few Trees that lye a Cross the Channel of the Mohawks River so that there may be a sufficient Channel to come to the Carrying place and that the Bridge be made of a sufficient height that Canoes may pass under it when the Water is at the highest & of strength that the freshes may not carry it away

This Minute being read to Capt. Glen one of the Undertakers who agreed & approved of it & desired a Copy of the same which his Excellency ordered to be delivered him

His Excell. was pleased to acquaint this Board that he has appointed Harme Vedder to be Capt. of that party to lye in the Sennekes Country for a twelve Month for the allowance of fifty pounds, Ten pound in presents three men each at £15: - one of them to be a Smith and to have £10: - additional and that this Company shall have the Use of the Canoes Capt. Jacob Splank & Company had last year purchas'd wth the Countries Money who are hereby ordered to deliver the same up into the
