 135A We rec<sup>d</sup>. your Letter of 25<sup>th</sup> Instant wherein  
 you Inform us that you have rec<sup>d</sup>. a bott of Wampum  
 that the Flat heads are coming down to fight against  
 your Nation & that they are at Schenectady but too  
 far Journey from your place. we are very much  
 concerned that you will give Credit to such fal<sup>se</sup> reports  
 which seem to us Impracticable we suppose this must  
 proceed from the Notion which was among you now  
 about three years ago when you assured us that the Flat  
 heads were actually seen & approaching to attack you  
 then we did supply you with ammunition but all came  
 to nothing & so will this be. if you & our Brethren of the  
 Six Nations would But stay at home & be at peace you  
 would live without fear of ever being attacked by any  
 Flat heads. but if there be any Truth in what you  
 apprehend you may be assured that when ever we find  
 that there is any truth that you be attacked by any  
 Enemy we promise you shall be speedily assisted by us  
 both w<sup>th</sup> men & ammunition to defend you.
