Unconsolidated & per se
I will be quite satisfied
& willingly give the best aid
in my power to any one who
will work to that end. I
quite agree with you about
Blanchard. He made a
great mistake. He showed
his letter to me, and I begged
him not to publish it as it
would put us all in a
false position by increasing
Mr Donald's difficulty in going
over. He promised me that
he would withhold it but
the next thing I saw was his
letter in the Reporter. I think
you did the best you could
with the location of the Railway
through this Province. I have
seen Mr Purdy who was much
pleased with his description at
Ottawa & will undoubtedly go
with Howe. I am much obliged
by your direction to Mr Langton
from whom I have just heard.
Yours faithfully
C. J. Tupper
