Rt. Hon. Arthur Meighen,  
The Senate,  
Ottawa, Canada.

Dear Senator Meighen:

My sole object in writing this letter is to express to you how pleased we all were to know that you have once again associated yourself with the Government of Canada and with public life.

Personally, I have always felt that it was a great blow and distinct loss to the people of Canada the day on which you withdrew from office, therefore it is all the more gratifying to myself and your many friends here to know that you have once again made your re-entry and taken your place at the head of such an honorable body of men.

The appointment of Senator Dennis is also a source of great pleasure to me and the feeling here is that whatever mistakes may have been made by the Bennett administration politically, Mr. Dennis' appointment is to the minds of both political parties here the outstanding political achievement from the Maritimes.

With you as Leader and men of the type of Senator Dennis in the Senate, you can readily understand my interest in your honorable body.

With kindest regards and cordial good wishes,

Yours very sincerely,

*A.K. Macdonald a.D.*
