Ottawa, November 2, 1916.

Sir,-

I have to acknowledge the receipt of your letter of the 23rd ultimo enclosing a communication from Mr. John Stuart, Clerk of the County of Middlesex, in regard to the cost of maintenance of Griffith Deleary, who was committed to the Mimico Industrial School.

In reply I beg to say that the Department will pay for the maintenance of this boy at the industrial school and accounts for the amount due should be forwarded at the end of each quarter through your office. You will be good enough to certify these accounts in the usual way. If an account is forwarded for the amount due for his maintenance since he was placed in the school the same will be paid.

Your obedient servant,

Assistant Secretary.
