

RICHARD LONEY AND COMPANY

(SUCCESSORS TO WANLEY, LONEY AND COMPANY)

CITY AND FARM PROPERTY

INVESTMENTS AND INSURANCE
MORTGAGES

MOOSE JAW, SASK.
CANADA

This book tells you of Moose Jaw and the country round about. If I could take you with me over the country and talk to you personally, pointing out the changes that have taken place in the past few years and indicating what I believe to be the future destiny of this City, this book would be unnecessary. I feel, however, that a careful study of this record of fact will be interesting, and trust that some day you may have the opportunity for closer investigation. Any further information you may require is yours for the asking.

R. LONEY
