

and when the mythology of the Celts will be held in very high esteem. But already an age has come when things purely Celtic have begun to be studied; and the close observer can see the awakening genius of the modern Celt manifesting itself in the realm of scholarship, of literature, and even of art—throughout Continental Europe, especially France and Germany, throughout Great Britain and Ireland, and throughout the new Celtic world of America, as far west as San Francisco on the great calm ocean of the future facing Japan and China. In truth the Celtic empire is greater than it ever was before Caesar destroyed its political unity; and its citizens have not forgotten the ancient faith of their ancestors in a world invisible.
