

were, indeed, very economically managed. He noticed that the managers had \$870 to their credit. But the public should not understand that because the Board had this amount on hand it did not require more. That sum was only one-seventh of what would be required to maintain the institution during 1879.

The resolution was carried unanimously.

Mr. CLARKE GAMBLE moved,

Gilmor, Mrs. Hodgins, Mrs. Humphrey, Mrs. King, Mrs. Lesslie, Mrs. John Leys, Mrs. McCutcheon, Miss Michie, Miss Mitchell, Mrs. McLean, Mrs. Manning, Mrs. McLaren, Mrs. Macklem, Mrs. H. Macdonald, Mrs. Matthews, Mrs. Robert McMaster, Mrs. Playfair, Mrs. Ryerson, Mrs. Sullivan, Mrs. Taylor, Mrs. D. Wilson, Mrs. Wyld, Miss A. Wilson.

The mover said the thanks of the institution and the public at large were due to the ladies who had acted as managers, and he hoped that they might long continue in the management of the Home.

HOD. GEORGE W. ALLAN seconded the resolution. He said it was desirable that the public should know more about what the Home was doing, and its wants. The citizens generally did not know that there were from 85 to 100 boys who, were it not for this Home, would grow up without care and instruction, and whose lives would probably end in vice and wretchedness. When the citizens fully realized this fact the managers would, without doubt, have more funds at their disposal.

The resolution was adopted unanimously.
