

TAKE NO RISKS

Do Not Foolishly Experiment with Medicines that
have No Standing or Reputation.

Paine's Celery Compound The Only Medicine that Cures
and Blesses the Sick.

In matters of health and life no man or woman can afford to take risks or experiment foolishly. A wrong move, or following the advice of the careless or ignorant, may result in serious complications. This is especially true in regard to the use of medicines when people are in a low condition of health.

When the physical powers are impaired, when you are weak, nervous, irritable, despondent, sleepless or weighed down with that dull and tired feeling that usually commences at this season of the year, it is wise and prudent to use the medicine that has given health, vim and activity to thousands of weak people in the past.

This safe, certain and health-giving remedy is Paine's Celery

Compound, which is now so extensively prescribed by the ablest doctors in Canada. The endorsers of Paine's Celery Compound, besides those in the ordinary walks of life, are clergymen, lawyers, judges, members of parliament and bankers, hundreds of whom it has rescued from suffering and death.

Avoid the numberless liquid medicines that are worthless from a medical standpoint, and that have never gained the shadow of a reputation. Put your faith in Paine's Celery Compound, and when you purchase be sure you are supplied with the right article. See that the bottle and box bear the name "Paine's Celery Compound" and the stalk of celery; that is the only genuine make—the kind that makes people well.

Many Women Deceived

At the present time many manufacturers of crude and adulterated package dyes are making lively efforts to induce the wholesale and retail druggists and grocers to buy their dyes.

These common dyes are quoted at such low prices that some profit-loving dealers are tempted to buy them. The profit-loving dealers then take care to sell these adulterated dyes to the inexperienced and careless at the same price as the popular and reliable Diamond Dyes are sold for.

This iniquitous and deceptive work has caused a vast amount of loss and trouble to many in Canada, and will continue as long as women are foolish enough to take anything that is offered them.

If home dyeing is to be a successful and money-saving work, every woman should see that she gets the Diamond Dyes, as they are the only guaranteed package dyes in the world.
