nounced. We have made arrangements for

time for this day's issue.

The Rev. Messrs. Gardner and Benson, our midst; and we gladly welcome the inof the M. E. Church, Canada, spoke in increasing numbers swarming from the old similar strains. As Dr. Ryerson truly Tuetonic Fatherland beyond the sea. Bu remarked, the proceedings of the evening we must meet them with the Gospel, or they were no small advance toward a more perwill inoculate our national life, in its very fectly seeing eye to eye, and, let us hope, to infancy, with the rationalistic and infidel a speedy Union into one Canadian Methodist virus of the corrupt civilization of Europe. Church We hope that the General Conference may

see the way to thoroughly re-organize and vigorously prosecute our German work. The plan of special German Districts, urged by Bro. Eby, seems eminently feasible, and

we believe would be attended with the happiest results. The most sanguine faith can scarcely venture to anticipate what may be the glorious results of the next decade, if we will only rise to the height of our great

privilege and solemn obligation, and

Act, act in the living present, Heart within and God o'erhead,

52? How have the years sped with us and our friends? He does not look to be more than forty. So fair, and full, and rubicund is he. May his shadow never grow less ! And may "He, who was with the Church in the Judge Wilmot.

This noble specimen of manliness, of Chris-

wilderness," be his guide even until death.

ORDER OF SERVICES FOR THE WEEK .-For the benefit of several of our friends in the country, who wish to make their visit to the city coincide with the time of some of the important public services, we would state that those services for the rest of the week are as follows :- To-night, (Wednesday) Rev. Ger vase Smith's Lecture on "The Trial of the Seven Bishops;" Thursday evening, a Conference Missionary Meeting, when Rev Geo. Young, of Manitoba, and Rev. Messrs.

McDougall and Campbell, from Saskatchewar country, and others are expected to address the audience. On Friday, a musical entertainment, entitled "An Evening with our English New Connexion Church, which Hymn Book," being a rehearsal of fine but which invoked richest blessings on her choir, under the leadership of F. Torrington.

For the information of our visitors from abroad, we would state that the Institutions best worth seeing in our city are the Osand museum; the Normal School with its admirable Gallery of Paintings and Statuary and fine collection of Educational apparatus ; St. Michael's Cathedral just north of the Metropolitan Church, and if time wili permit, the Lunatic Asylum, Trinity College, and the Central Industrial Prison, at the

west end of the city, in which direction also lie the Provincial Exhibition grounds. OUR city is full of visitors to the Provin-

cial Exhibition. We believe that the number of entries and the excellence of the articles exhibited is unprecedented. We hope same Church, probably the most aged living position of the productions of our soil, and Bishop in the world, pronounced the ben- the creations of the skill of our western artizans and artists. We are convinced that
