ate avenue, E

Hennesey and E. O'Donnell on John street. The business blocks for which plans have been prepared are an addition to the Commercial block for W. J. Ross, two stories; building on Simpson street for James Murphy, three stories, and Dr. Hamiton's block corner Simpson street and Victoria avenue, three stories, 75 ft. frontage.

LONDON, ONT.—The appropriations of this year include \$5,000 for a new fire hall in the north end.—Matthews & Murray, architects, are preparing plans for two residences for Mr. Bouge, Oxford street, and a residence for D. Dibbs, Hyman street, also for a Congregational church at Embro.—A. E. Welch, managing director of the South-Western Traction Co., has returned from England, and states that arrangements have been made for floating the bonds of the company. The road is intended to connect London, Hamilton, Strathroy, Glencoe, St. Thomas, Port Stanley and other places.

ST. JOHN, N. B.—F. N. Brodie, architect, wants tenders by 7th inst. for carpenter, mason, painting and glazing, and metal work for brick addition to Union Club building on German street.—The Maritime Nail Works Co. have definitely decided to rebuild in this city, work to be commenced at once; building will have 40,000 sq. ft. of floor space.—Plans prepared by G. E. Fairweather, architect, for a new Y.M.C.A. building, show a brick and stone structure, main building 40x70 ft., 4 storey, and basement.—The Provincial Government has been asked for a grant of \$10,000 for a new deaf and dumb school in this city.

HAMILTON, ONT.—Laurence Munro, architect, is preparing plans for a Presbyterian church in Cayuga and for a new school at Van Wagner's Beach.—Ald. Allen will build fifteen residences, four on Severn street, three on North McNab street, three on Wellington street, and three at corner of Murray and McNab streets.—Building permits have been granted as follows: George H. Milne, brick house on East avenue, for Mrs. Walker, cost \$1,800; A. W. Peene, office building for the Turbine Steamship Co., corner of John and Guise street, cost \$3,000.—It is not likely that the proposed improvements to the Grand Opera House will be commenced until next spring.

VANCOUVER, B.C.—W. T. White- way, architect, has been instructed to prepare detailed plans for proposed four-room school at Fairview, cost \$7,000.—It is stated that five Winnipeg capitalists s purpose building a large saw mill in this
