LEICESTERSHIRE TICK AND VERMIN DESTROYER.

For many years this preparation has been used with unparalleled success in different parts of Europe. The proprietors have purchased the formula at great expense, and are now prepared to supply the trade with the genuine article and at greatly reduced prices. It effectually destroys Ticks, Lice, Worms, or Grub, to which sheep, horses, and cattle are subject, and enables the animal to thrive. The Proprietors will guarantee perfect success when used according to directions, as will be found on each box. It prevents scurf and scab, and renders the wool bright and clear. It is put up in tin boxes, price 30 and 60 cents. One small box is sufficient for twenty ordinary sized sheep. It only requires to be tried to prove itself all that is claimed for it. Sold by all Druggists. G. C. BRIGGS & SON, Agents, Hamilton, Ont. de-1
