

An Absolutely Reliable Roof

is one of the best investments a farmer can possibly make. The trifling additional sum you pay for NEPONSET Roofings is made up many times over in the additional protection to your building, freedom from repair bills, fire risks and all roofing troubles.

NEPONSET PAROID ROOFING

The Ontario Government, all the leading railroads, many of the largest manufacturing industries and thousands of planters and farmers have used NEPONSET Paroid Roofing for years. The record of NEPONSET Roofings is the strongest argument for their use.

Talk with a man who has used NEPONSET Paroid Roofing and get the story first hand. Our dealer can give you the name of such a man in your own locality. There are different NEPONSET Roofings for different types of buildings, and NEPONSET Waterproof Building Papers for every purpose.

Buy a Wagon That Will Last a Lifetime!

It is not an uncommon thing for a T-K Handy Wagon to be used 20 years without a cent of expense for repairs. But up-keep cost is the least of its virtues, for this wagon combines more practical adaptability, convenience, durability and actual earning power per dollar invested than any other wagon on the market. It makes farm work easier and more profitable. Investigate!

Handy Farm Wagons and Wide Tire Steel Wheels

Equip your wagons with T-K Wide-Tire Steel Wheels and eliminate all possibility of accidents on rough and rocky roads, delays and need of lightening the load over sandy and muddy stretches. These wheels are flawless in design and strong as a steel bridge, yet weigh no more than wood. They lighten the draft on horses from 25 to 50 per cent., and are the greatest savers of time and labor that a farmer can employ.
