SUMMARY OF NEWS.

The Halifax and Windsor Railroad.

Persace Hall, to promote this undertaking. Conswell, William A. Black, Robert Noble, The Sheriff took the chair, and shortly addressed the meeting, explaining its object. quires.—Recorder 13th. The Hall was well alled. It was supposed that two thousand persons were present. Crofton Uniacke, Esq., addressed the meeting in a very pertinent speech, showing the importance of the project as a commencement to more extended undertakings.

tion, which also passed unanimously.

There was not much speech making on the occasion. The remarks of the Provincial also introduced a bill to encourage the construction of a railway or canal, from Lake specie to the resolutions, were brief, and to Temiscwata to the St. Lawrence. It offers business character, and, as far as one could cent on £50,000 for fifteen years. As the judge, the feeling was highly favourable. All practicability of the proposed undertaking has differences of every kind, by common conment of this great object.

The Hatel will be conducted an strict Temperance principles, and every attention paid to visitors. Persons in town wishing to sound a fewweeks in the Country, can be accommodated with Board, Horses and t arriages, and those con ing in the Packet conveyed to any part they wish.

The Subscriber trus's from his long experience in the business to be able to give every entisfaction. JOHN FISHER

Lower Horton, March 23.

Elastic Chest Expanding Braces.

THE SUBSCRIBER,

BEING acquainted with the construction of Chest Expanding BRACES, recommended as a principal means of the prevention and care of Consumption, by Or. Fitch of Philadelphia, a phy sicion celebrated for his success in the core of that disease, and being used by several of his friends whom he furnished with them, to make it known to the public, he therefore takes this apportunity of complying with their wishes.

These BRACES are recommended to all sight ly made or narrow chested persons; also for Round Shoulders or Diseased Spine, as a nicans of expanding the Chest, so as to give full play to the Lungs, straightening and strengthening the Back, and giving uprightness and symmetry to the body.

They will be found beneficial to all ages,—ba. especially to youth. They may be worn without the least inconvenience, preclading the accessity of Stays-for which Ladies would find it greatly to their advantage, as regards heal h and beauty, K substitute them.

The Subscriber will furnish the Braces whole sale or retail, at prices as moderate as possible. MICHAEL HERBERT,
