HALL'S Vegetable Sicilian

HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness.

It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S DYE FOR THE WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

No 3.—AMERICAN HUMOURISTS. By H. H. Haves.

This author presents in fine setting the wit and wisdom of Washington Irving, Oliver W. Holmes, James K. Lowell, Artemus Ward, Mark Twain, and Bret Harte, and he does it *en masse*. Price 15 cents.

No 4.—LIVES OF ILLUSTRIOUS SHOEMAKERS, and a constellation of celebrated Cobblers. By Wm. Edward Winks.

This is a most interesting book, written in a very popular style. Mr. Winks has written what everybody will love to read. The shoemakers of England have always been remarkable for two things: first, they have always been in advance of other tradespeople in their love for religious and political freedom. In all movements in England for progress they have stood together as one man.

The shoemakers of England have also been remarkable for their intelligence, humor, love of honesty, and their hatred of all affectation and shams. From their ranks have sprung, more than from any other class of tradespeople, men of great power and influence.

The great Wesleyan Methodist denomination owes a debt to the cobblers of England, than to any other class. Mr. Winks tells some exciting stories of some of them. Price 25 cts.
