A Physician's Testimony for Labatt's Ale.

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

THAT DOLLAR OF YOURS

Is not very much by itself, but fifty of them, that is, less than one dollar a week, would pay for a policy of endowment insurance for \$1,000.00.

Then—If you died during the next twenty years, your beneficiary would receive \$1,000.00 Or—If you lived, you would receive \$1,000.00 yourself, which, together with the accumulated surplus, would make a total return largely in excess of all premiums paid.

An endowment policy makes an excellent investment for small savings, and you will never have a better time to secure one than now. The older you get the greater the premium. Let us have an opportunity of talking the matter over with you.
