

## Give Your Wife One

THOUSANDS of wives and daughters run their own Ford cars. They use them for shopping, calling, attending the theatre, taking the children for a run in the country or to school.

The FORD is as easy to operate as a kitchen range, no knowledge of mechanical details being necessary. Inexpensive to operate. A woman can call around town all afternoon, or take a 25-mile spin in the country, at the minimum of cost for gasoline, oil, wear on tires, etc.

You couldn't give "her" a present she would appreciate more than this beautiful, modern car, with its stream-line effect, tapered hood and crown fenders.

### WINNER OR WASTER - Which are You?

On a recent occasion the Honorable the Minister of Finance for Canada, in addressing a representative Canadian audience, dealt with the urgency of everybody doing, even in the smallest way, their share towards aiding the Empire.

It is well to remember that every dollar thrown away extravagantly does one hundred per cent. more good to the enemy than one dollar saved by ourselves.

The wealth of the world finally filters through individual dollars, and if the curse of extravagance strikes deeply enough, our ruin is bound to follow.

Save a dollar TO-DAY and do a hundred per cent. more for the Empire than your extravagant neighbor does for the enemy.

Interest to Depositors at 3 per cent.

At the Conservative Convention held at Warton last week, Dr. Foster, a dentist of Warton, was chosen as standard bearer for the party in North Bruce. Dr. Foster was born in Howick township, near Harriston. He is a graduate of the School of Dentistry, Toronto, and has practised in Warton upwards of 18 years. He belongs to a number of societies, in most of which he has held important offices. He is a good speaker and held in very high regard. His opponent in the next provincial election, of course, will be Mr. Wm. MacDonald, of Chesley, the present representative from North Bruce.

There are only three counties in Ontario that are to-day enjoying lower taxation than Bruce County.

### Farm Fires in Germany.

The German papers contain long lists of farm fires, for which the protracted dry weather in Northern Germany is partly responsible. The military authorities, under martial law, are taking stringent measures to prevent the starting of fires through carelessness or intent.

The dry weather is causing some anxiety about crop prospects in Northern Germany, but the conditions in the south are reported to be excellent.

The County Orange Lodges will have no big celebrations on the 12th this year as the railways have decided against excursions and reduced rates.

### Notice To Creditors

A new decision of the Canadian Patriotic Fund that will be of interest is that in future allowance will be made for girls up to the age of 17 and boys to the age of 16, provided they are attending school and not earning wages. Up to the present the fund has been paying allowances to boys and girls only up to 15 years.

### Candles and Cold Water.

New regulations governing standard hotels in Ontario have just been issued by the License Board. One of the most important affects the position of ropes for fire escapes. The principal regulations may be summarized as follows:—Every standard hotel now has to have a candle placed in each bedroom. This is for the purpose of helping the guest who may be in the hotel when a fire breaks out and the lighting system is put out of business. There have been cases where the lights have gone out and in the confusion without a light lives have been lost. Every standard hotel must in future keep a supply of pure cold water for drinking purposes for the guests. Another thing is that storm windows are barred from bedrooms. The board recommends that instead metal weather strips be used as this will keep out cold draughts in winter and dust in summer. Storm windows, it is claimed, would prevent the free opening of windows in case of fire. The situation of ropes used for the purpose of escaping from bedrooms in case of fire has been changed. The old rule used to be that they had to be fastened on the sill but the Commercial Travelers' Association has pointed out the danger of this to the board and the rule is now that they must be fastened from the side of the window at least two feet from the sill, thus making it easier for the guests to get out in case of danger. In future no license of a hotel may be sublet any portion of the hotel's premises without the board's permission.

### Where Potatoes are Cheap.

Mr. John D. Miller, a Telescope reader at Wiste, Alta., an old Bruce Boy, writes under date of June 4th:—We are all in good health and everything looks fine. Although the spring was cold and backward, the fields are green. We first finished seeding June 1st. Have in crop 260 acres, 150 in wheat, 110 in oats and we are looking forward to a good crop. What we need now is a good rain is getting pretty dry. Potatoes are scarce here too but we haven't got to pay the price that you have in Ontario. \$1 per bag, that's what I paid. Wishing you success.—Telescope.
