**TIME TO SAVE AND INVEST IN VICTORY LOAN**

**Mr. W. S. Herrington K. C. Points Out Investment Advantages of Today—Attack on Two Thousand Dollar Gratuity Demand—Addresses By Chairman W. B. Deacon, Col. O'Flynn and Rev. D. C. Ramsay at City Hall**

"Canada has come to her people asking for enough money to finish the job," declared Chairman W. B. Deacon, at the Victory Loan rally in the City Hall last evening.

"The mere fact that Canada is paying 5 1/2 per cent for money should be enough to convince the public," said Col. O'Flynn, another speaker.

"The time to save money is when wages are up, the time to spend is when wages are down and things are cheap. The man who saves when wages are high and invests is gaining as much as 45% to 65% in fluctuation," was a remark of Mr. Walter S. Herrington, K.C., of Napanee.

The Rev. D. C. Ramsay said: "The work that is past, noble as it was, was destructive work. Construction lies before us. That can only be done if we lend to the government our money at the rate of 5 1/2 per cent."

**Attack on \$2,000 Gratuity**

One feature of the meeting was an attack by Mr. Herrington, on the demand of some returned men for a \$2,000 gratuity. He called it a most monstrous demand, and he thought he had a right to speak as from under his roof there went forth four, of whom three only have returned. When soldiers who won glory in the war by their indomitable spirit, put a price upon their labor, they became as mercenaries. He declared he would not for an instant support the Victory Loan if he believed the government was going to accede to the demand of a few of the returned men.

It had been intended to give a fine musical program by Mrs. (G.O.) Allen, Miss Gladys Vermilyea, Miss T. Ketcheson, Miss Helen Thompson, Miss Alice Cherry, Miss H. Lazier, Mr. Fred Sprague, Mr. Sam Anglin, Mr. R. J. F. Staples and Mr. Allan Schryver with musical hits from Mr. W. L. Doyle's "Winning Girl," but while the artists were present, the necessary piano was not and accordingly the songs and choruses were also not.

The meeting was quite largely attended.

**The Real Victory Loan**

Chairman W. B. Deacon made a short address, saying: "This is the Victory Loan for the Dominion of Canada. Other loans we called the Victory Loan in confidence of victory. But now Canada has come to the people for enough money to finish the job. Our men went into the trenches. They did not falter for hardships or death. The soldiers did their part. 352,000 of them have returned. Canada is not through with the war. The citizens have got to finish the job and pay the bills. Demobilization is costing nearly \$400,000,000. Then Canada has to give credit to foreign lands. Our soldiers have to be reinstated. It is hoped this will be the last loan."

Col. E. D. O'Flynn: "The mere fact that Canada is paying 5 1/2 per cent for money should be enough to convince the public. The loan is not taxed all that is being done is not to exempt it from income tax. It only affects the man with a very large income. No greater security can be secured than by Victory Loan. The Veterans' Association invested money as trustees in the Victory Loan from the points of security and patriotism. The money is needed. Europe is 'broke' and needs goods. The people of the old world can secure credits in the U.S. or in Australia, but they prefer to come to Canada."

"We get every dollar of this money back—the county as a whole. The workingman, the investor shall put his money in it every dollar comes back."

"If Canada asked us to give \$350,000,000 we would give it but we seem to hesitate."

Col. O'Flynn was certain the people of Belleville and Hastings would over subscribe.

Mr. W. S. Herrington, K.C., of Napanee, discussed the loan under three heads, (1) "What do we want the loan for?" (2) "What security

**United Farmers Take Three Seats From the Federal Government**

Ottawa, Oct. 28.—By-election results did not cause much surprise at the capital last night. The five constituencies in which contest took place went about as anticipated, the chief surprise being the size of the U.F.O. majority in Carleton-Victoria, N.B. While reports from Victoria, B.C., indicated a strenuous fight, there were few who thought that Hon. F. S. Tomlin, the new minister of agriculture, was likely to be defeated.

The net result of by-elections is that while the government loses three seats carried by the Unionists in 1917, the regular opposition has not been strengthened. In the three seats lost to the government, Victoria-Carleton, N.B., Glengarry-Stormont and Assiniboia, United Farmers candidates have been elected to sit on the cross benches. In 1917 Victoria-Carleton elected Hon. P. B. Carvell by acclamation and Glengarry-Stormont did the same thing for John McMartin, Unionist. In Assiniboia J. G. Turfitt, Unionist, now in the senate, was elected by a majority of over four thousand. The seat now goes to Mr. Gould, the Farmer candidate, who took it over a Liberal, the Unionists not having a candidate in the field.

**THE NERVOUS SCHOOL CHILD**

Needs Rich, Red Blood to Regain Health and Strength.

Many children start school in excellent health, but after a short time home work, examinations, hurried meals and crowded school rooms cause their blood to become weak and thin, their nerves over wrought and their color and spirits lost. It is a great mistake to let matters drift when boys and girls show symptoms of nervousness or weak blood. They are almost sure to fall victims of St. Vitus dance, or drift into debility that leads to other troubles. Regular meals, out-door exercise and plenty of sleep are necessary to combat the nervous wear of school life. But it is still more important that parents should pay strict attention to the school child's blood supply. Keep this rich and red by giving Dr. Williams' Pink Pills according to directions and the boy or girl will be sturdy and fit for school. The value of Dr. Williams' Pink Pills in cases of this kind is shown by the statement of Mrs. Pearl G. Harrington, Kingsville, Ont., who says: "I have often felt that I should write you and let you know what Dr. Williams' Pink Pills did for me. At the age of thirteen I was afflicted with St. Vitus dance. The trouble became so severe that I had to be taken from school. I was given medical treatment but it did not help me, in fact I was steadily growing worse. Then a friend advised my mother to give me Dr. Williams' Pink Pills, which she did, with the happiest results, as the pills completely cured me and I was again able to take up my studies and attend school. Again about three years ago I was attacked with nervous prostration and once more took Dr. Williams' Pink Pills, and after using five boxes was fully restored. I cannot praise these pills too highly as I believe they will cure any case of St. Vitus dance, or restore anyone who is weak, nervous or run down. You can safely give Dr. Williams' Pink Pills to the most delicate child, or take them yourself with equally good results when you need a blood tonic. These pills are sold by all dealers in medicine, or will be sent by mail, post paid, at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Patriots Buy Bonds.

The meeting closed with the singing of the National Anthem.

**GREAT SUCCESS OF FIRST DAY BEATS MOST OPTIMISTIC HOPES**

**Hastings County Subscribes Nearly Twice as Much as on First Day Last Year—Deloro Leads Race.**

All doubts as to the success of the Victory Loan 1919 has been dispelled in the first day of the campaign, Hastings County having subscribed altogether \$45,750 while on the first day last year only \$24,450 came in. Reports from all over Canada indicate greater success than workers had dared to hope for. Late reports last night from far away districts in the county bring a total for the day's subscriptions considerably higher than the official total reported to headquarters of \$45,750.

The leading team for yesterday's canvass in Hastings county was for Deloro, Meers, Norman Laing and Arthur Yates, two returned officers, having brought in 12.46 per cent of their objective. This amount is \$2,850, a total of 16 subscriptions. Mr. R. W. Adams, a Belleville canvasser brought in the greatest amount secured by any one canvasser, his total being \$7,100, in five subscriptions.

Yesterday's results were considerably brought down, it is believed, owing to the bad weather which made it difficult for canvassers in the rural districts to get around. This only adds to the success of the day's results and it is expected that a few days of good weather will produce totals even better, in comparison, than last year. The day's results for Hastings County are as follows:

The average salaried man has kept on the job; he has fed and clothed his family somehow; he has done his full share in buying bonds and sticking away thrift stamps and in giving to all the war causes; he has pinched and economized taken on extra work evenings and spent his holidays and off hours in the home garden; he has done his duty in the main bravely, loyally, patiently, nobly.

The biggest thing about his is that he hasn't kicked and howled; he hasn't threatened and menaced; he hasn't bombed or eggheshiked; he hasn't often complained. He has, indeed, borne the middle of the big load and been a good citizen about it. He is not a whit less of a hero than some others whose work has been more spectacular and whose suffering has been more sanguine. He deserves a tribute!

It never fails. Good druggists everywhere have sold it for years.
