#### **PRACTICAL PATRIOTISM**

Loyal Residents of St. Anthony and Neighborhood Contributed Over \$400 To Cause of the Empire

On Wednesday, the 16th of December, a fair was held at St. Anthony for the benefit of the Patriotic Fund. Lady Davidson very kindly gave her patronage, and the fair realized \$470, an amount which included a gift of 1\$50 from Mr. Joseph Moore, and contributions from other friends, and nearby villages. Lock's Cove sent \$17 and a buyer as well, while others from outside came to buy also.

The enthusiasm was quite unprecedented. Three men gave the rings off their fingers to be sold for the benefit of the Fund, while one young man gave his watch. It seemed as though every man and woman had had a share in making something. The donations included new snow shoes, dog whips,, komatiks, hooked mats, artificial flowers in pots, skin boots, fancy work, cakes, candy, ice cream, milk, cream, dried fish, ducks, carving work, and even a model boat windmill, and a model team of dogs, with real puppies, beautifully stuffed by the donor. One remarkable thing was that everything was sold. A loaf of bread was auctioned for sixty cents, while a cake which a fisherman bought for a dollar and a half, he allowed to be auctioned off over again for the benefit of the Fund.

Honor to Give.

We realize that we honour ourselves by giving far more than by receiving. and we believe it is a disgrace for any Newfoundlander to have to say, "I gave nothing to my King and fellow men are freely giving their lives for us. Even the children worked for this fair, while a Committee of ladies got the whole thing up, and managed it, attending even to he donation and refreshments. God bless them.

Every man felt more glad of this ffort, when we heard of the bombardnent of the English coast, and that 'he Russians were driven back on
