Increase in Subscription Rates Commencing Dec. 1, 1918

The subscription rates of the Brantford Daily Courier and the Brantford Daily Expositor, commencing December 1st, 1918, will be as follows:

Delivered in Brantford and Vicinity, 45c. per month By the year, Paid in Advance, \$5.00 By Mail, per annum Single Copies,

After publication of this notice, payments in advance on subscriptions will only be accepted to ecember 1st at the old rate, after that at the new rate.

This advance in subscription rates has been made necessary by the tremendous increase in the cost of white paper, the price of which has recently been fixed by the Paper Controller at Ottawa. By this one item alone thousands of dollars are added to our annual cost of production, and in addition, labor, presses, stereotype supplies, type and all other items of expense have enormously advanced in price during the last few

Even at the new rates the Brantford papers are only now charging prices which have been in force for some time back on almost all the other daily newspapers published in this section of the Dominion. In many cities the subscription rates are very
