Just Opened Children's HATS and BONNETS

I was fortunate in getting from one of the leading Toronto makers one of their travellers samples of spring bonnets and hats. There are over thirteen dozen in the lot and no two alike. As I bought these below the regular wholesale price I am able to sell you these bonnets and hats much below the regular prices.

They are made of fine white lawn pique, mercerized repp and silk beautifully trimmed with fine embroidery and ribbon, I am sure you will be delighted with the many dainty styles. Read over the prices and see how much you can save.
