### MUSICAL RECITAL AT DELTA

Pupils of Miss M. Frye Give Recital in the Neighboring Village—Show Remarkable Talent.

The pupils of Miss M. Frye gave an entertaining recital at her home, Delta, on Friday eve, May 11th. They were assisted by Mrs. J. Davidson (contralto), Newdale, Man., and Miss Z. Frye (violinist), Delta, Ont. The piano pupils acquitted themselves in a very creditable manner, and the singing of Mrs. Davidson and Miss Beryl Davis was much enjoyed. Mrs. Davidson's voice is a rich contralto of wonderful depth, and Miss Beryl possesses a very sweet voice with the quality that appeals. Miss Frye's violin number, as usual, was well received. Below is the program:

Henry street had a early morning blaze yesterday when the roof of Mrs. Geo. Derbyshire's house was found to be on fire. Mr. Wallace Connerty, while on his return from getting the milk for his household at 6.30 remarked the smoke and on investigating, found a patch of the roof ablaze. Caught in time, the fire was quickly extinguished and the engine was not required. The cause is a mystery as there was no fire in the house while there was every evidence of the shingles being ignited by a spark.

### CADETS INSPECTED

The inspection of Athens High School Cadets took place Monday morning. The boys made a good showing, and were complimented on their work by Lieut.-Col. Geo. H. Gillespie, of Kingston. A number of the cadets are out on farms; consequently the school did not have the number of khaki-clad boys it has had in past and more favorable years. However, the thirty-five 1917 A.H.S. cadets demonstrated a real knowledge of drill, and Mr. Halpenny, their instructor, should feel gratified at their work.

The cadet officers this year are: Douglas Johnston, company commander; Hobart Johnson, right-half company leader; Leslie Earl, left-half company leader; Lorne Derbyshire, John Donnelley, platoon leaders; Hope Swayne, color-sergeant. The formations included company drill, squad drill, rifle drill, and extended order.

### DELTA I.O.O.F. ATTENDS CHURCH

Delta, May 15.—Members of the Delta lodge of the I. O. O. F., accompanied by a number of visiting brethren, paraded to the Baptist church, where service was conducted at 2.30 p.m. by Rev. Albert H. Barker. Over eighty Odd Fellows were in attendance and the church, which was beautifully decorated with flowers, well filled. Miss Edith Davidson sang a most appropriate song, which was greatly appreciated.

The pastor took his text from Heb. XII, v. 27, "That those things which can not be shaken, may remain." In a brief but informing introduction, Mr. Barker showed how the great apostle had drawn attention to men and women in past ages who had labored and suffered for the imperishable things and how he went on to refer to the great shakings that come to all nations and peoples. Paul was in line with the old prophets and seers, Haggai,

The following relatives were present on this occasion:

### EPWORTH LEAGUE

The first meeting of the Epworth League for the new church year was held in the Sunday school room on Monday evening under the direction of the 2nd Vice president. The main feature of the evening was an illustrated talk on his Journey through Palestine, by Rev. Wm. Usher. About ninety pictures were shown and the audience was delighted with the unusually interesting manner in which they were explained. Miss Marion Robinson and Miss Hazel Smith contributed a duet to the musical part of the programme.

The choir of the Methodist church will meet Friday night at 7.30 sharp.

### A GOOD BET—A Hundred-to-One Shot

Do you know that never in the past hundred years have the opportunities offered wage earners been so entirely in their favor and do you further know that it may be another hundred years before similar conditions prevail?

A hundred years is a long time to wait, so the wise man or woman will take advantage of the favorable chances within their reach to make the present last. The only way to do this is by putting aside in the Savings Bank a small portion of to-day's good luck. Remember this cannot last for ever.

All good chances are in the present. Those who depend upon future chances are betting against themselves and this is generally a very bad bet.
