Statisticians estimate that twenty-
one acres of land are necessary to sus-
tain one man on fresh meat. The
same land if devoted to wheat cul-
ture, would feed forty-two persons;
if to oats eighty-eight; potatoes, In-
dian corn and rice, 176, and if to the
plantain or bananas, more than six
thousand persons.

There is a movement on foot among
a large portion of the Toronto tem-
perance people to have the City Coun-
cil take the question of a reduction
of licenses into its own hands and
pass a by-law declaring for a fixed
reduction. There are said to be six-
teen out of the twenty-three mem-
bers in favor of reduction.

The Dolly Varden Company had
troubles of its own in this city Sat-
urday night. Notwithstanding a fair-
ly good house, several members of the
company were in financial straits.
Those more fortunate were able to
leave early Sunday morning, while
others were forced to use the tele-
graph for the wherewithal to get out
of town. The company has been run-
ning in a streak of hard luck—

HE GOT SIX MONTHS

There were a couple of cases on
at the Police Court this morning.
Michael Breen had been out the most
of the night on an excursion of plea-
sure in which he took in most of the
refreshment booths in the city.
When he was through, his feet were
rather unsteady and when he was
passing along Fourth street he fell
through a window. He was fined \$5
and costs, and also the cost of a new
window.

Joe Murphy, a companion of
Breen's, was also rounded up, but he
was given six months in the Central
Prison. Joe is no relation to Joe
Murphy the actor, although this Joe
is somewhat of an actor himself—
a bad actor. He played a comedy
role last night, but he was deep in
the art of tragedy this morning, and
his pleadings with the magistrate
were dramatic in the extreme. It
was no use, however, for there was a
suspended sentence against him for
vagrancy. The last time he was up
Mr. Houston promised him a term
of six months the next time he made
his appearance, and the Judge kept
his word.

MONEY IN SELLING "DOPE"

St. Thomas, Jan. 16.—The police
state that the young man Hicks, the
butcher shop burglar, is not the dope
fiend that he represents himself to be.
On Saturday night the young fellow
passed a couple of dollars to a com-
panion to purchase its worth of what
he called "hop" and he got it.

It is also told that on the same day
a number of London youths were in
the city and one of them, who had a
ten dollar package of the drug, boasted
that his investment would be a
paying one when he got among his
associates. He stated that the stuff
would be worth forty dollars to him
when he retailed it amongst the boys
at London.

The use of the stuff has not yet
shown itself to any appreciable ex-
tent among the youth of this city.
There have always been a few well-
known "pipe hitters" here, but so far
nothing has come from the authorities
in the way of an investigation as to
the disposal of the commodity, either
as a medicine or a killer of the
blues.
