### Baby Eczema

### Becomes Chronic

Causing Great Suffering and Anxiety—Prompt Relief and Cure by Dr. Chase's Ointment.

This is one reason why every mother should know about Dr. Chase's Ointment, since it is an unfailing cure for all itching skin diseases.

Mrs. F. Clarke, Belmont, Man., writes: "My baby had eczema on her ear. The sore was very bad, and nothing seemed to do her much good. Hearing of the remarkable cures Dr. Chase's Ointment was making, we sent for some, and after the third application the sore began to heal. I am glad to say that it is quite well now, and we give the credit to Dr. Chase's Ointment." We cannot recommend this preparation too highly.

Here is another letter, which tells of the cure of a five-weeks-old baby: Mrs. Wallace Mingon, River John Road, Colchester County, N.S., writes: "My little girl took eczema when she was five weeks old. Though we doctored her until she was nearly a year old, she got no better. I was advised to use Dr. Chase's Ointment, and this treatment completely cured her."

## WORLD'S GREATEST KIDNEY REMEDY

"Fruit-a-tives" Have Proved  
Their Value In Thousands of  
Cases

### WONDERFUL RECORD OF A WONDERFUL CURE

Only Remedy That Acts On All Three  
Of The Organs Responsible For The  
Formation Of Uric Acid In The Blood.

Many people do not realize that the skin is one of the three great eliminators of waste matter from the body. As a matter of fact, the skin rids the system of more Urea (or waste matter) than the kidneys. When there is kidney trouble, pain in the back and acid urine, it may not be the fault of the kidneys at all, but be due to faulty skin action, or constipation of the bowels.

"Fruit-a-tives" cures weak, sore, aching kidneys, not only because it strengthens these organs but also because "Fruit-a-tives" opens the bowels, sweetens the stomach and stimulates the action of the skin.

"Fruit-a-tives" is sold by all dealers at 50c. a box, 6 for \$2.50. Trial size, 25c. or will be sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

and we wish him every success.

## It Can Be Done!

Somebody said that it could n't be done, But he, with a chuckle, replied That "maybe it could n't," but he would be one Who would n't say so till he tried. So he buckled right in, with the trace of a grin On his face. If he worried, he hid it. He started to sing as he tackled the thing That could n't be done—and he did it.

There are thousands to tell you it cannot be done; There are thousands to prophesy failure; There are thousands to point out to you, one by one, The dangers that wait to assail you. But just buckle in with a bit of a grin, Then take off your coat and go to it; Just start in to sing as you tackle the thing That "cannot be done"—and you'll do it.
