SEVENTEEN INNINGS AT THE FALLS ON SUNDAY.

The Yankees Won the Game by a Score of 1 to 0.

(Special Despatch to the Times.) Niagara Falls, June 15.—The Hamilton Tigers were defeated in a 17 inning game here yesterday afternoon. The game was the longest on record here. Gianelli and Long were the opposing slappers, the Yanks' twirler having the better of the battle. Gianelli, who was let out by the London Club two weeks ago, allowed but six hits, and fanned 14. Long was touched up for seven hits and whiffed 11.

The Students could get no farther than third after the second inning, but that inning was a grand success, and on Dossinger's double of scoring a run to the tag. The ball bounced to right field, where Doremus scooped it up, throwing out Bradford from the base.

Two men had been retired in the 17th when the Yankees scored their only run. They got a hit on Brennan's error, second baseman, and scored on Brennan's drive over second. Sterling, a local boy, backstopped for the Yanks in a clever manner. McCabe was injured in Friday's game at St. Thomas. The score:

HOW NATIONALISTS LOST. In the Junior Park League at Dundurn Park on Saturday afternoon, the Nationals lost to the Northern Stars.

It is hinted that the \$55,000 law suit instituted by Supreme Chief Ranger Stevenson on behalf of the Union Trust Co. against Messrs. Fowler and Foster has something to do with the opposition candidature for that office.

Joseph Jakobs, a professional diver, fell a hundred feet into the water of Jamaica Bay during a performance on Saturday and was killed.

COMMENT AND GOSSIP

Wonder if the Pine Ridge nine are wooden men. Promoter Paige claims there is lots of baseball timber at Pine Ridge.

Nichol is inferior to copper or brass, when on an odds-on favorite. The public made a record at the H. J. C. track on Saturday—over 6,000 paid admissions.

I expect to see one of the local papers state to-night that Saturday's racing wasn't up to the mark. The president of the International Baseball League should get into the game.

Gans was obliged to make his weight three times that day and was unable to take much nourishment. This fact hurt him greatly. Few realize how rapidly a boxer, who has had to reduce to a certain weight will absorb nourishment and take on avoirdupois from a comparatively small amount of nourishment.

For instance, Ketchel is said to have taken on more than six pounds by lying down all afternoon before his bout with Papke, after eating a satisfying meal. He also took on strength, which counted heavily in his favor in the course of the bout.

Gans was said to be actually weakened through inability to eat a full meal before his long go with Nelson. The latter, on the contrary, was in the best of fettle. This bout looks as if Gans should be a strong favorite. He seems to have his man out classed, and unless Nelson can get in a wild swing he has small chance to trouble the veteran.

RECORD CROWD AT H. J. C. TRACK.

Jubilee Juggins Beat Martin Doyle In Cup Race.

Old Monte Carlo Ran as if He Was Full of "Hop" in the Race on the Turf and Owner May Get Into Trouble.

There was a record-breaking crowd at the Hamilton Jockey Club track on Saturday afternoon, over 6,000 persons enjoying the excellent card presented. Over 6,000 persons were in attendance, about 1,300 being from Toronto.

The grand stand contingent was delighted with the racing through the field, the top-weight horses providing an exciting contest. After waiting for one turn of the field for somebody to carry Round Brook along, Nat Ray found that he would have to do it himself.

There were seven races on the card, the features being the Tucket selling stakes and the finish of both races was close, the former being of the eyelash kind.

On Saturday afternoon the East End Y. M. C. A.'s second baseball nine defeated the St. Phillip's Church team by a score of 11 to 2. The batteries were: Burdette and Lade; Marks and Laking.

In the Independent League on Saturday the St. George's defeated the Lafayette, by a score of 18 to 7. The winning battery was Guest, Memphis and Wells.

Had enough left to race with Spencer Reiff when the run home began, and the faint-hearted old son of Eber gave it up, allowing Round Brook to win. Sam Parmer was third, Markman, Pickett and Mercury lost their riders, but did not fall. The time, 4:36, is a new record, eleven seconds better than the old figures for this course—about two and a half miles.

The dump of the day, so far as the talent was concerned, was in the first race. Martin Doyle looked like a "pipe" in the race, and he was heavily backed at 4 to 5 and even. The old sprinter showed no speed at any stage, and finished third. The race went to Jubilee Juggins, a 5 to 1 shot. The Seagram horse took the lead when the barrier went up, and was never headed. He equalled the track record for the seven furlongs—1:26 2/3.

In the last race on the card, a mile on the turf, a sensational performance was made by Monte Carlo. He acted very badly at the barrier and got away practically last. In the stretch he came like a wild horse, and almost beat the favorite, J. Crawford. Monte Carlo continued running after passing the winning post; in fact, he ran away two miles, before Jockey Deverish could pull him up. Monte Carlo appeared to be under "the influence," and the stewards decided to look into the case to-day.

E. J. Gildersleeve, owner of the Fairport Stable, who ran Alencon in the sixth race, had a race worth \$1,000, and a selling race was looked for now. This is the last day on which Jockey Fairbrother can claim the 3 pounds apprentice allowance, his year expiring on the 15th of June. One of the feature races for this afternoon is the race for members of the Hamilton Hunt Club, on the flat. Capt. Henderson's Thorough will carry 30 pounds more than any of the other five horses entered. Mr. Jas. Thomson's Chas. L. Stone will likely be favorite, as young Thomson is an excellent rider and Stone is no "sious" hand.

WILL PUT UP A FIGHT. New York, June 15.—In the early days of this week added interest probably will be lent to the horse racing situation here if the statement is true that legal proceedings will be begun immediately to bring the constitutionality of the new anti-race track betting law to a test. Many persons qualified to pass judgment on the situation declare that without letting horse racing continue, and first, recognizing this, the racing powers realize the necessity of making some move at once to straighten out the tangle. In order to do this, it is said, three test cases will be prepared to-morrow and will be fought through to the Court of Appeals within a week. The district attorney's office of King's county, two points it is declared, will be raised—whether it is illegal to post odds against a horse, and what in the eyes of the new law constitutes a bet, and to what extent wagering may be indulged in, that is, without records thereof being made. The present plan is said to be to have three well-known layers of odds arrested so that a general construction of the law may be had. There is no doubt that the present chaotic condition of affairs is injuring attendance at the Grandstand, where on Saturday only about half the crowd was present that ordinarily would have been there on such a perfect day.

BURNS AND SQUIRES.

Tommy West Down in the 8th, But Later Scored Knock-Out. Paris, June 14.—Tommy Burns, the Canadian boxing champion of the world, had a tough fight last night with Boxer B. O. Squires. They met at the bowling palace in Neuilly and being the night before the Grand Prix (Sunday), there was an enormous crowd in attendance. It was their second meeting, Burns having put Squires away before in the first round. Last night Burns sent Squires down for the count in the third, but after that the Australian recovered, and forced the battle somewhat, giving the champion the worst of the exchanges. Burns was knocked to the carpet in the eighth, but came back fiercely and by a series of body punches scored a knock-out. The winner was enthusiastically cheered. [Note.—The cable despatch does not state in what round the knock-out occurred.] BURNS AND SQUIRES AGAIN. Sydney, N. Z., June 15.—A sporting syndicate here has arranged for a fight between "Tommy" Burns, the heavy-weight pugilist, and "Bill" Squires, the Australian fighter. The contest will be for a purse of \$14,000, and is to take place in this city during the visit of (Continued on page 3.)
