CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL
AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's
Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this result. This preparation has all the virtues of these two most valuable
specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we
make the unqualified statement that Scott's Emulsion is being used with better results
and endorsed and prescribed by more physicians for Consumption—and the diseases leading to
it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility and the
Wasting Disorders of Children, than any other remedy known to medical science. The rapidity
with which patients improve on this food medicine diet, is truly marvelous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-ninth Street, New York, September 2, 1878.

GENT—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during
the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and
efficacious.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my
private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and
found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate
stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases.
Oct. 19, 1879.

Yours respectfully, A. H. SEXTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion
of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind
that has ever been brought to my notice; in addition of the lungs and other wasting diseases, we can consider
it our most reliable agent, in a perfectly agreeable and elegant form.
December 10th, 1878.

Yours truly, J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician
pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve,
and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent
bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared,
night and morning cough, night sweats and short breath, and a return of the spinal trouble. My physician
stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did
me no good. I had all hope of life and was an object of pity to all my friends. Last September I purchased a
bottle of your Emulsion and before it was all taken I was better. I afterwards bought a dozen bottles, with the
following results: Cough subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength
returning, and my weight increased from 112 to 140 pounds in sixteen weeks. I have taken no other medicine
since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet
some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil,
etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle
and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a
year ago; but he is improving now wonderfully. My recovery is exceeding the surprise of many people, and
shall do all I can to make known your valuable medicine.
January 20th, 1879.

Very truly yours, H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—About the 25th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one
who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and
was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would
stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced
mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other
parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
January 20th, 1879.

I am gratefully yours, R. W. HAMILTON, M. D.
