

DO WOMEN WORK AS HARD AS MEN?

Yes. And They Must Keep Well and Strong

Two Interesting Letters

Toronto, Ontario.—"When my husband was called back to England in 1914 I took Lydia E. Pinkham's Vegetable Compound to strengthen me so I could work. I had a trouble that used to make me weak, but I am able to do my work now and am perfectly satisfied with your medicine. I still get it at the chemist's and I strongly recommend it to anybody I hear of suffering as I did. You may publish this if you wish."
—Mrs. E. HORNLOWER, 899 Yonge St., Toronto, Ontario.

I Did Not Feel Like Working

"I was in a general run-down condition with a weak back and a tired feeling so that I did not feel like working. My mother was taking Lydia E. Pinkham's Vegetable Compound and recommended it to me, so I have taken it and my back is better and I am now able to do my work. I recommend the Vegetable Compound to my neighbors and you may publish my letter."—Mrs. JOSEPHAT A. GAZINA, Box 47, Carbon, Alberta.
Lydia E. Pinkham's Vegetable Compound should be taken when you first notice such symptoms as nervousness, backache, weakness and irregularity. It will help you and prevent more serious trouble. Give it a fair trial.

Ice Cream Social

WELCOME MEETING

COM. CHARLES SOWTON

Territorial Commander S. A. Salvation Army Hall
Thursday Eve'g June 8th
at 8 o'clock p. m.

His Worship Mayor C. E. Fish will preside—All are cordially invited to hear the Commemorative

New York Man Gives Ball Trophy

Mr. Clay Adams, A Newcastle Boy, A "Dyed-in-the-Wool" Base Ball Fan, Kindly Donates a Beautiful Silver Cup to the Miramichi Base Ball League, After Reading the Local Newspapers.

In last week's issue of the Union Advocate, a letter appeared over the Signature of a Base Ball Has Been, in which a suggestion was thrown out, that it might encourage the local players if some interested base-ball fan would donate a trophy for the season's play, and as a result the following letter has been received from Mr. Clay Adams, by Mr. Don S. Creaghan, which is self-explanatory, and which goes to prove that our town and its interests are carefully watched by her former sons and daughters through the medium of our local newspapers.

New York,
June 3, 1922

Dear Don:

I have something in mind which may or may not meet with the approval of yourself and the powers that be. Besides I doubt if you are a real ball "fan," but if not, possibly Clare McCabe (no knock at his age) may refresh your memory with the "battles" of the past. You've, no doubt, had, recalled, many a time, the intense rivalry which used to exist between Chatham and Newcastle, in my young days, when a game of Baseball was at stake between the two towns. You were only a kid then, but Clare, or perhaps better, Andy, and Rodge Lawlor, will be able to relate to you the many stirring incidents attending a game between the "Corn-Killers" and Chatham.

The home papers, in announcing recently a "Miramichi Baseball League," bring back to memory those good old days, I refer to. The names of McLellan, Bell, Harry Graham, Percy Lindon, Bill Ferguson, The Murphys, Paddy Keating and Bill Powers, were household words with the "ball fans" of Newcastle, not so long ago at that, while further back Dan McQuarrie, Tim McGinnis, Bob Traier, and Rodge Lawlor, were among others, whose "records" on the old Farrell ball field, were the

envy of the junior players of those days. Glancing over the make-up of the present day Newcastle "nine" I fail to recall an old time name—"McCabe," is about the only familiar one, and it makes one think and wonder as to just what has become of all the old boys.

I doubt if the same pep and enthusiasm exists at the games of today as compared to those of years ago, and with this thought in mind, and just for old times sake, it occurred to me that I might in a small way suggest something which might encourage the players and somewhat help revive the spirit of the "Corn-Killers" of 1895-96-97.

In those days we fought for the glory of the town—and many a stiff and hard battle, sometimes not without much bloodshed, was waged throughout an afternoon, before a ninth inning rally put either Chatham or Newcastle in the "soup."

What I want to get before you now is that you appear before Rodge, and offer, as coming from an old time "Corn-Killer" a silver cup as a prize trophy to the winning team of this year's league race, or if those in charge of affairs, prefer, to make it a prize to the winner of two or three successive years—provided, of course they feel confident of the league remaining intact for other seasons to come. If you think well of my scheme and can get the approval of the others to accept same as a "trophy" write me at once and I'll send a Cup along by express, with printed card stating what it is intended for. You might, upon receipt, stick it in one of your show windows in Newcastle and Chatham for a day or so, and in that way, stimulate keener interest in the great game of base ball, of which yours truly is still a very ardent fan. Love to all.

Sincerely,
CLAY ADAMS

Lingering Weakness Following Disease

Due to the Fact That the Blood has Become Thin and Watery.

In almost every case the victims of influenza, fevers and contagious troubles, are left weak, ailing and despondent after the disease itself has disappeared. They do not pick up strength as they ought, and remain tired, listless and discouraged. The only reason for this is that the blood has been impoverished by the ravage of the disease through which the victim has passed. Strength and full activity will not return until the blood has been restored to its normal condition. The blood can be enriched and purified quickly and surely by Dr. Williams' Pink Pills. To enrich the blood and strengthen the nerves is the whole mission of these pills, and thousands have found them beneficial after disease had left them weak and run down. Among those who have proved the value of these pills in cases of this kind is Mr. Charles A. Turner, light-keeper, Thrum Cap light station, N. S., who says:—"In Jan. 1917, I took a severe cold which I neglected until it developed into pneumonia, which confined me to bed for some weeks. When I was able to get up and sit around the house, I found that I was not regaining my usual strength; in fact, I seemed to be growing weaker and was reduced almost to a skeleton. I took an emulsion, but it did not help me. Then one day a friend who came to see me said, 'Here's some Dr. Williams' Pink Pills; just the thing to get you on your feet again.' I took them and then for six boxes more and soon could see that they were helping me. By the time the last box was empty I was doing my usual work and feeling fine, and, I had

gained in weight. My health has since continued good, and I give the credit to Dr. Williams' Pink Pills.

You can get these pills through any dealer or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co. Brockville, Ont.

A PROTEST TO THE PROPOSED TAX ON CHEQUES

Ottawa, June —A delegation from the Montreal stock exchange this morning interviewed Hon. W. S. Fielding, Minister of Finance, in regard to the proposed tax on cheques. The interview was in private. The tax was opposed on the ground that it would bear heavily on brokers who find it necessary to issue many large cheques. Alternative proposals were made by members of the delegation.

The delegates were introduced by Herbert Marler, Liberal member for St. Lawrence St. George, Montreal. Just before the delegation from Montreal arrived, the Minister received a delegation representing the Toronto stock exchange. It is understood that representations were made on similar lines to those of the Montreal delegation.

PREBYTERIANS AND CHURCH UNION

Montreal, May 27.—Conference with all the Protestant communions of Canada before formal steps towards corporate union with any church or churches is taken, is advised in a resolution and statement issued by the branch of the Presbyterian Church Association of the island of Montreal and Ottawa on the subject of church
