MORE WHISKY NOW THAN EVER BEFORE, IS TIP TO THE LEGISLATORS

AIBANY, Marh 31—John J. Doyle, representing the Buffalo Central Labor Council was one of the speakers in favor of the passage of the Walker-Gillet beer bill at the hearing yesterday afternoon before the senate judiciary committee and the assembly committee on excise.

"Sixty thousand members of the council are in favor of the Walker-Gillet bill," he said, "and feel that the state will be better off morally if such a law is enacted. More whisky is being brought into Buffalo today than ever before."

Vice President Todd of the Maritime Trading Corporation of Buffalo, also spoke in favor of the bill on behalf of the employees of the corporation, who, he said, felt that they were being legislated against as a class.

STOP CATARRH OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more sniffing, hawking, mucous discharge, dryness or headaches, no struggling for breath at night.

Get a small bottle of Eiy's Cream Balm from your druggist; and apply to little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

SPRING FEVER

Following Colds, Grip or Flu. Thin, Watery or Poisoned Blood (By Dr. Valentine Mott.)

At this time of year most people suffer from what we term "spring fever" because of a stagnant condition of the blood, because of the toxins (poisons) stored up within the body during the long winter. We eat too much meat, with little or no green vegetables.

Bloodless people, thin, anemic people, those with pale cheeks and lips, who have a poor appetite and feel that tired, worn or feverish condition in the spring-time of the year, should try the refreshing tonic powers of a good, alterative and blood purifier. Such a tonic as Dr. Pierce's Golden Medical Discovery. It is a standard remedy that can be obtained in tablet or liquid form. Made without alcohol from wild roots and barks.

TILLSONBURG, Ont.—"Ever since I can remember Dr. Pierce's medicines were used in our family at home and they never failed to give good results. The Golden Medical Discovery was used as a tonic and blood purifier and for bronchial trouble and it proved excellent. I have personally taken it for bronchial trouble and the 'Favorite Prescription' to build me up when I was run-down and they were both very beneficial."—Mrs. CLIFFORD MITCHELL.

Special meetings of the stockholders of J. H. Williams & Co., at Brooklyn, N. Y., and of the Whitman & Barnes Manufacturing Co., at Akron, Ohio, have been called for April 2, for the purpose of ratifying an agreement entered into by their respective presidents, made subject to the approval of the stockholders, for the merging of the Chicago, Illinois and St. Catharines plants of the Whitman & Barnes Manufacturing Co., with J. H. Williams & Co.

When ratified this plan will contemplate the operation by P. H. Williams & Co., of drop forging and drop forged tool plants at Brooklyn, N. Y., Buffalo, N. Y., and west Pullman, Chicago, Illinois, in the United States and at St. Catharines, Ontario, which is located close to Buffalo, and the business will be operated by the individuals now connected with these plants.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" stamped on tablets positively identifies the only genuine Aspirin—the Aspirin prescribed by physicians for over a hundred years and now made in Canada. Always buy an unbroken package of "Bayer Tablets of Aspirin" which contains proper directions for Colds, Headache, Toothache, Earache, Neuritis, Lumbago, Rheumatism, Sciatica, Joint Pains, and Pain generally. Handy tin boxes containing 12 tablets cost but a few cents. Druggists of "Bayer Tablets of Aspirin" packages. There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark registered in Canada by Bayer Manufacturing Co. of Elberfeld, Germany. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross".

The plans of J. H. Williams & Co. under this arrangement, call for a considerable extended business and for the service of all their customers in the location most convenient for them. The Whitman & Barnes Manufacturing Company's Chicago plant includes the new forge shop 100ft.x500 ft. and power house which has just been built by Messrs. Stone & Webster at a cost, including complete equipment, of \$1,250,000. The Whitman & Barnes manufacturing company will continue its business of making twist drills, reamers, and collateral lines on an extended scale at Akron, Ohio, and further details in regard to both of these companies will be available later.

DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, dependent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

Quick and Lasting Results Assured the Ailing Man
